

VIRGINIA DEPARTMENT OF
SOCIAL SERVICES

AUTHORIZED REPRESENTATIVE

If you would like someone to help you apply for benefits, you or a member of your household may ask a trusted friend, relative, or neighbor to help you apply and to be your authorized representative. This person must be 18 year of age or older and should be familiar enough with your situation to answer questions about you and your circumstances. An authorized representative may complete and submit an application for you.

Be sure the person you pick as your representative knows your household's circumstances. Your eligibility will depend on the information this person gives. You are responsible for the information.

For SNAP, MA and EAP, you are allowed to have more than one authorized representative and a statement must be completed for each person selected. Each authorized representative may have different duties assigned to them.

If you are eligible for SNAP, the authorized representative may apply for benefits and may also receive a card to access and use your benefits for you at the grocery store. For TANF, an authorized representative may only apply for benefits on your behalf. In order to have an authorized representative, you must give a written statement to the local Department of Social Services. SNAP, TANF and EA also allow an electronic statement. It must include the name, address, and telephone number of the authorized representative. You must sign, date and write your address on the statement too.

You may use this form to name an authorized representative by filling it out and returning it to your local Department of Social Services.

If you have any questions, contact your local Department of Social Services or call toll free 1-800-553-3431.

Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), Medical Assistance (MA) and the Energy Assistance Programs (EAP) are administered without regard to age, race, color, sex, disability, religion, national origin or political beliefs. The Virginia Department of Social Services is an equal opportunity provider.
