

Fairfax County Economic Mobility Pilot Eligibility Documentation List

Identity

One form of documentation required:

- Government issued ID like a driver's license, passport or ID card from any state, country, or territory (may be expired).
- Employer issued photo ID.
- Native American Tribal photo ID.
- College/University student photo ID.

Residency in one of the identified neighborhoods in one of the following ZIP codes: 22306, 22309, 20190, 20191, 22041, 20170, 22003, 22150, 20120 or 20151

One form of documentation required:

- Government issued ID like a driver's license, passport or ID card from any state, country, or territory with current address (not expired).
- Current mortgage or lease with your name and full address (not expired).
- House deed with your name and full address.
- Current vehicle registration with your name and full address (not expired).
- W2 and/or 1099 from tax year 2022.
- Voter ID card with your name and address
- Insurance document with your name and address.
- Letter from a government agency or benefit document; must be dated within the last 3 months.
- Utility or cell phone bill with your name and address; must be dated within the last 3 months.
- First page of bank statement with your name and address; must be dated within the last 3 months

Child in household 16 years old or younger

One form of documentation required:

- Birth certificate with name and date of birth of child(ren)
- Legal document (for example, current custody agreement, foster care placement agreement) with child(ren)'s name and date of birth
- Government or benefit document that includes the name and date of birth of child(ren)
- School documentation that includes the name and date of birth of child(ren)

Total gross annual household income falls within 150-250% of FPL (2023)

One form of documentation required for each person contributing financially to the household. Total gross annual income is the total income for all household members contributing financially to the household. Income is money earned from working plus cash benefits such as SSI, SSDI, TANF, and child support.

- One month of paystubs; must be dated within the last 3 months.
- One month of transaction history from gig economy platform(s) such as Uber, Lyft, Door Dash or Grubhub or self-employment ledger; must be dated within the last 3 months.
- W2 and/or 1099 from tax year 2022.

Please note, additional documents may be requested.
