The Coordinating Council on Aging & Adults with Disabilities (CCAAD) identifies gaps and creates solutions for older adults and adults with disabilities.

CCAAD “Elevator Speech” Long Version:

The goal of the CCAAD is for older adults and adults with disabilities to be able to participate fully in their community for a lifetime.

The CCAAD looks at community need, identifies gaps and creates solutions to meet this goal.

The CCAAD provides opportunities for members to learn from and collaborate with other organizations.
