FREQUENTLY ASKED QUESTIONS

Q: How will I be notified that my request has been scheduled?

A: Groups are notified via email by a scheduler when their use has been scheduled or you can check the status of your application online. If you do not have an email address where you can receive messages, please provide us with an alternate way to contact you.

Q: What are the rules regarding field and gym usage?

A: All facility use rules can be found at <http://www.fairfaxcounty.gov/neighborhood-community-services/athletics/>. However, here are a few key rules to keep in mind:

Field Use Rules

- Groups of 20 or more, including spectators, are required to have a permit
- Use of grass fields is prohibited during wet or inclement weather and no snow removal is permitted on any fields
- Alcohol is prohibited
- Trash must be placed in designated receptacles
- Field maintenance is prohibited without prior approval from FCPS or FCPA
- Portable soccer goals must be properly anchored when in use and properly secured at all times when not in use

Gym Use Rules

- Food and drink, other than water, is not allowed in gyms; alcohol is prohibited
- Participants and spectators are permitted in the gym only
- Groups playing outdoor sports in gyms are limited to conditioning and training only; see other regulations here: http://www.fairfaxcounty.gov/ncs/athletics/pdf/indoor_athletic_use_guidelines.pdf

Q: How are the lights at Fairfax County Park Authority fields and Fairfax County Public School fields operated/scheduled?

A: Fairfax County Park Authority field lights are programmed by FCPA staff, based on the schedules set by NCS Athletic Services. Park Authority field lights are enabled by the programming, but must be manually turned ON or OFF at the site. For assistance with specific lighting issues, please contact NCS for the appropriate FCPA Area contact information.

Lights on most FCPS fields are programmed to turn on and off automatically, based on permitted times. Some fields are not programmed remotely and require a key, and this should be coordinated directly with the school and its Director of Student Activities. For more information on the lighting system at a particular FCPS facility, please contact NCS.

Q: What should I do if we will not be using some of the time that we have been allocated?

A: You are required to turn back any allocated time that you will not use. To avoid being charged weekend custodial fees in gyms, you must notify your scheduler or NCS (at AthleticServices@fairfaxcounty.gov) **in writing** by noon on the Wednesday before your weekend use.

Q: How can I determine if a facility is closed due to bad weather or other scheduled closures?

A: Please check the calendar attached to your permit for any days when the facility may not be available to you due to other programming. **It is also important to check your email frequently, especially during adverse weather conditions, to receive notifications of changes and cancellations which may affect you facility use.**

FIELDS: Fields may be closed due to inclement weather or poor conditions, as use of wet fields can cause severe damage. It is your responsibility to verify the status of a field prior to use. If you use a closed field, you will be responsible for any damage caused to the field. You should never use a field when there is standing water. Synthetic turf fields will be closed when there is snow or ice on any part of field. Attempting removal of snow or ice may damage the field and is prohibited; it must melt naturally. For more information on determining field playability, please contact our office.

Park Authority field closures will be announced on the weather hotline at 703-324-5264 and on the [Park Authority website](#). The Park Authority closure list is not updated on the weekends. Park Authority fields on the weekends, as well as school fields at all times, are closed at the discretion of the user. If you are using a high school or secondary school field, please call the school's Activities Office for field closure information.

GYMS: For gym closures, call the weather hotline at 703-324-5264. School closure information can also be found on Channel 21 (FCPS Red Apple) or at www.fcps.edu. When school gyms are closed early or closed for the day due to weather, community use will be cancelled. Please note that, if you are assigned a high school or secondary school gym, the school's outdoor sports teams may need to practice indoors in case of inclement weather. If that is the case, your use may be cancelled or shortened with only a few hours' notice. NCS will attempt to notify users by 3 p.m. in these situations.

Q: What should I do if I find damage at a facility or my group causes damage?

A: User groups are responsible for damages to facilities that occur during their usage. If your group arrives at a facility and notices damage or if your group causes damage, it needs to be reported to custodian on duty immediately. If a custodian cannot be located, your group must report the damage to the NCS office no later than 24 hours after the damage is found.

Q: What do I do if I encounter a problem during my permitted time that cannot be solved by the staff onsite?

A: If you are using a gym, please check with the custodial staff first for your immediate needs. If you are on a field, please contact our on-call monitor at 703-609-8870.

Q: Am I eligible to apply to use field and gym space in Fairfax County?

A: NCS schedules leagues, organizations, and groups of individuals in Fairfax County Public Schools (FCPS) gyms and on FCPS and Fairfax County Park Authority (FCPA) fields. We do not schedule camps, clinics, or other revenue-generating activities. NCS does not schedule organizations that operate athletic services as a for-profit activity. These types of uses must be scheduled directly through the field or gym owner (e.g., the Fairfax County Park Authority, Fairfax County Public Schools) and are subject to the owner's rental policies and fees.

Q: Can teams within a league request additional practice time from NCS?

A: Leagues are allocated practice time as well as game time. Teams should approach their league administrator for practice space. Individual teams requesting space from NCS will be given space only if space is available; these requests will be subject to separate application fees. Only game time will be scheduled for adult leagues. NCS does not allocate practice time to adult leagues.
