

The Public Assistance & Employment Services (PAES) Division is offering information sessions for our partners.

Join us to review the medical, financial, and food assistance programs available to support adults and families, as well as county and state resources. It's a great opportunity to connect, learn about how to access services conveniently and safely from home, and ask questions.

To schedule an information session in person or virtually, email Patty Araujo at patricia.araujo@fairfaxcounty.gov or call 703-324-7864.

We hope to see you soon!

You must register your EBT Card account and select your User ID and password by using either the ConnectEBT mobile app or at ConnectEBT.com for access. Registering on either one also registers you on the other. Have your EBT Card handy when registering.
