

HYPOTHERMIA PREVENTION PROGRAM

DECEMBER 1, 2022 - MARCH 31, 2023

About the Program

Since 2005, the Hypothermia Prevention Program has prevented death and serious injuries among Fairfax County's most vulnerable residents by ensuring that no one must sleep outside during the winter months. This program - available to any adult in need of immediate shelter - provides warm shelter, food, and other supportive services to help connect guests to a variety of basic needs such as clothing, employment, housing, and more.

Note: Adults with children (ages 0-17) should contact Coordinated Services Planning at 703-222-0880 (TTY 711), Monday - Friday, from 8 a.m. to 4:30 p.m., for referrals to family-oriented support and services. If you need assistance after hours, please contact or visit one of the county's family shelters - locations and contact information are available at www.fairfaxcounty.gov/homeless/emergency-shelters
