#NCsconnects Virtual Activity

Activity: LEGO Build Challenge

Category: STEAM

Suggested Grade Level: Grades 1-6

Description: Create your best animal, building, creature, robot and more with Legos. If you do not have Legos, use wood blocks, recyclable cardboard boxes, or any other items that are safe to build with.

Supplies:
- Legos (alternatives: wood blocks, cardboard boxes, water bottles, etc.)

Instructions:
1. Organize and get your Legos or other buildable items ready.
2. Create and build your idea. See examples below.
3. With your parents’ permission, share a picture and the name of your creation using the hashtag #NCsconnects.

Takeaways: Use your creativity and imagination to come up with an original Lego creation!
