#NCSconnects Virtual Activity

**Activity:** Family & Friends Circle

**Category:** Culture, Civic and Community Connections

**Suggested Grade Level:** Grades 1-6

**Description:** Using the attached worksheet, fill out the Venn diagram with a family member or a friend to see what you have in common and how each of you are different.

**Supplies:**
- Printout of Family & Friends Circle worksheet on next page
- Pen or pencil

**Instructions:**
1. Look at the question key provided on the Family & Friends Circle. You and a family member or friend will each answer all the questions on the key.
2. For the answers you have in common, write the responses in the overlapping areas of the two circles, labeled, “Both of us!”
3. For the questions that you answer differently, record the response in the corresponding circle.
   a. For example, if both of you answer that your favorite season is fall, you will write “fall” in the “Both of us!” category.
   b. Or, if one of you answers “spring” and your friend answers “winter,” each will record their response in “Just Me” and “Just My Friend/Family,” respectively.
Family & Friend Circles

Directions: Meet with a family member or a friend. Ask each other the questions that are provided in the key on the next page and fill in the answers. Find out the answers you have in common and see what answers are different!
Family & Friend Circles: Questions Key

#1: What is your favorite animal?

#2: Would you rather see colors no one else could see or smell scents no one else could smell?

#3: Would you rather be able to fly or be invisible?

#4: What is your favorite season?

#5: Would you rather be able to talk to animals or be able to control the weather?

#6: Would you rather do the dishes or clean the bathroom?

#7: If you could be any other person for a day, who would you want to be?

#8: What is your favorite activity to do in the summer time?

#9: What is your favorite holiday?

#10: If you could learn one new instrument, what instrument would you choose?
