## Out-of-School-Time Programs\*

Out-of-School-Time Programs provide a creative and safe learning environment where children have the opportunity to work with adult mentors to explore their own ideas, develop new skills and build confidence in themselves. Our programs include both afterschool clubs and activities as well as full-day rec programs for kids and teens when school is out of session during spring, summer and winter breaks.

## Teen Centers\*

Fairfax County Teen Centers and drop-in sites offer young men and women (grades 7 through 12) a supervised, structured, and enjoyable environment to connect with peers, explore their interests, develop skills, and plan for a successful future. Our staff provides positive role models who help teens learn the skills necessary to make good decisions and to improve their personal resiliency.

Program opportunities include indoor and outdoor activities; field trips; intergenerational programs and dances; intramural sports; leadership development; visual and performing arts programs; health, fitness and nutrition programs; job skills development; technology programs and much more!

**For a full list of Out-of-School-Time Program and Teen Center locations and hours, see reverse.**

\* Participants will be asked to follow the center code of conduct and COVID protocol guidelines. Protocols are based on the Centers for Disease Control and Prevention's latest guidance.
