The Sponsor shall obtain funding for construction, fencing, bulletin boards, and other amenities approved for the Off-Leash Dog Area (OLDA). FCPA permits the Sponsor to improve the Off-Leash Dog Area and assist with the maintenance and operation of the Off-Leash Dog Area subject to the approval of FCPA. No additions or changes to the Off-Leash Dog Area shall occur without written approval from the FCPA. We also understand that Park Authority will work with the sponsor to determine the best place for the dog park through standard park planning processes. FCPA will work with the sponsor to determine which facilities will be included within the new dog park, making sure that all features meet Park Authority standards.
