

To maximize the availability of the parks to all users and to promote community safety, the FCPA has designated CUAs on FCPA property at its farmers markets and near its concert and summer entertainment venues. Activities undertaken within the CUAs must comply with these guidelines to prevent disruption of customer enjoyment, damage to public property, and to preserve public safety.

Guidelines are published online: <https://www.fairfaxcounty.gov/parks/community-use-area-guidelines>

For more information or questions about CUAs, contact Parkmail@fairfaxcounty.gov or call 703-246-5092.
