

Good Morning Scouts,

Thank you for registering for the Citizenship in the World Merit Badge class. Class will be held at the Visitor Center and will begin promptly at 10am. The day of class **please bring your pre-work and your blue card**. In class we will complete the remaining requirements for the Citizenship in the World Merit Badge. There is no time in class to review work so at the end of class I will collect everything from you, check the work and when everything is done I will mail the work and the signed blue card back to you. If you do not have all the pre-work done before class you will have a full month to complete the work and e-mail it to me, so no worries. Also, please bring a lunch it is a long class and a lunch really seems to help. I have included some helpful hints below regarding the pre-work, please read carefully:

Req. 1 – Read the quote carefully and thoughtfully and make sure you support your opinion. If writing by hand is difficult then please type your answers.

Req. 3b – Select only one foreign country and using the CIA Fact book research the geography, natural resources, and climate. Then apply what you have learned to determine their effects on wealth, employment, economy, etc. Please explain and support your answers clearly.

Req. 4c – Please research do not guess the roles of the UN and World Court.

Req. 5 a/b – Please make sure you include how Constitutional and non-constitutional governments are alike and how they are different.

Req. 6 a/c – Please describe how each individual or organization operates relative to international relations.

Req. 7 – Please complete only ONE section of requirement 7. Be prepared to share your findings for your chosen section. Some students find it helpful to have a visual aid to help communicate your information to the class.

I hope this is helpful but if you have any questions or concerns please do not hesitate to contact me. I look forward to meeting all of you.
