Elly Doyle Park Service Awards (with presentation)

The Park Authority is currently seeking nominations for the 2023 Elly Doyle Park Service Awards. These awards are presented annually to recognize the outstanding volunteer work done by individuals and groups that support the Park Authority. Due to the pandemic, the 2021 and 2022 awards programs were successfully presented virtually. This year's program is planned to return to an in-person format.

Nominations are being sought for the following awards:
Elly Doyle Park Service Award/Special Recognition
Elly Doyle Youth/Student Award
Harold L. Strickland Partnership and Collaboration Award
Mayo Stuntz Cultural Stewardship Award
Sally Ormsby Environmental Stewardship Award
Justice, Equity, Diversity, and Inclusion Award
Chairman's Choice Awards
Outstanding Volunteer Awards

All nominations are due by Friday, June 23, 2023. Nomination forms are available online at: <https://www.surveymonkey.com/r/Ellys2023>

The Fairfax County Park Foundation works in partnership to support the Park Authority Board awards program as well as the Park Foundation Eakin Philanthropy Awards. The Park Foundation is once again serving as a sponsor and financial partner.

Nomination packets will be sent to the Park Authority Board in early July and the Board is scheduled to select recipients and approve Outstanding Volunteer Resolutions at their early-July meeting. The award ceremony will be conducted in person in November 2023.

Franconia District Park Authority Board Member Dr. Cynthia Jacobs Carter continues to serve as the Chair of the Park Authority Board Awards Committee with Dranesville District Park Authority Board Member Tim Hackman serving as Vice Chair.

The Elly Doyle Awards Committee seeks support from the Board in identifying nominees and in reaching out to the community. The Committee will work with Friends groups, PVTs, members of the Board of Supervisors, FCPA site staff, via social media,

boards, committees, and commissions, seeking nominations for volunteers who serve our parks.
