REGISTRATION for camps begins February 8.

Once registered, download camp forms at

www.fairfaxcounty.gov/parks/campforms

Did You Know?

- Some camps are licensed by the Va. Dept. of Social Services. These camps require additional paperwork such as an immunization record and proof of child's identity. Please download the camp forms packet at www.fairfaxcounty.gov/parks/campforms to determine if your child's camp is one that is licensed.
- We welcome non-Fairfax County residents to take part in our camps. There is a \$15 out-of-county fee.
- Some weeks are designed for non-FCPS students who get out of school earlier than FCPS.
- To provide several options for our customers, camp length and times vary. Be sure to check number of days and hours for each camp.
- On rainy days or when substantial rain is expected, some outdoor camps may be canceled for the day. On code red days, campers will engage in outdoor activities during the day while taking in plenty of water and several shaded breaks. Many of our camps are held outdoors. Please check with the site for more information.
- To expedite the check-in process, please make copies of your child's forms for each camp/each week. Forms are not transferred from one camp to another. Forms can be downloaded at www.fairfaxcounty.gov/parks/campforms
- Some RECenter pools may be closed in late August for maintenance and cleaning. Contact the RECenter directly for details.
- Host-a-Coach Program: we are always looking for families who would like to host a British soccer coach for a week during the summer. In turn for hosting, families earn a free week of British soccer camp. For application and details, visit www.fairfaxcounty.gov/parks/campforms.
- Many RECenters and parks use classrooms and gyms in nearby schools during the summer as a respite from the heat. Campers may be bused or walk to/from our facilities to a nearby school during the camp day.
- It is important to register early! Camps that do not meet minimum requirements for enrollment may be canceled.

Refunds/ Transfers For Camps

- All **refunds and transfers** MUST be requested at least **14 days prior to the camp session** from which you are withdrawing. Transfers may only be made from one camp to another camp; not from a camp to a class or Rec-PAC.
- All but \$25 will be returned for each camp session approved for a refund.
- Refunds and transfers are NOT permitted within the 14-day period before the start of camp.
- Within 14 days of the start of camp, refunds are given only for medical emergencies with doctor's written verification as long as the verification is received **BEFORE** the camp begins.
- If a medical emergency occurs during camp, a doctor's written verification will be needed within 24 hours for a pro-rated refund. Requests received after the camp session ends will not be granted.
- There are no refunds for missed days due to changed work or vacation schedules, sick days or other non-emergency reasons.

Extended Care Information

Before and after camp care is available at several RECenter/Park locations. This service provides additional morning and afternoon care for campers **already enrolled in full day camps on site**. Camps ending before 4 p.m. are not eligible for afternoon extended care. Campers get to choose from supervised activities including board games, cards, drawing/coloring, and age-appropriate movies.

Pre-register for Extended Care online at www.fairfaxcounty.gov/parks or by phone 703-222-4664 or in person at RECenters and parks listed below.

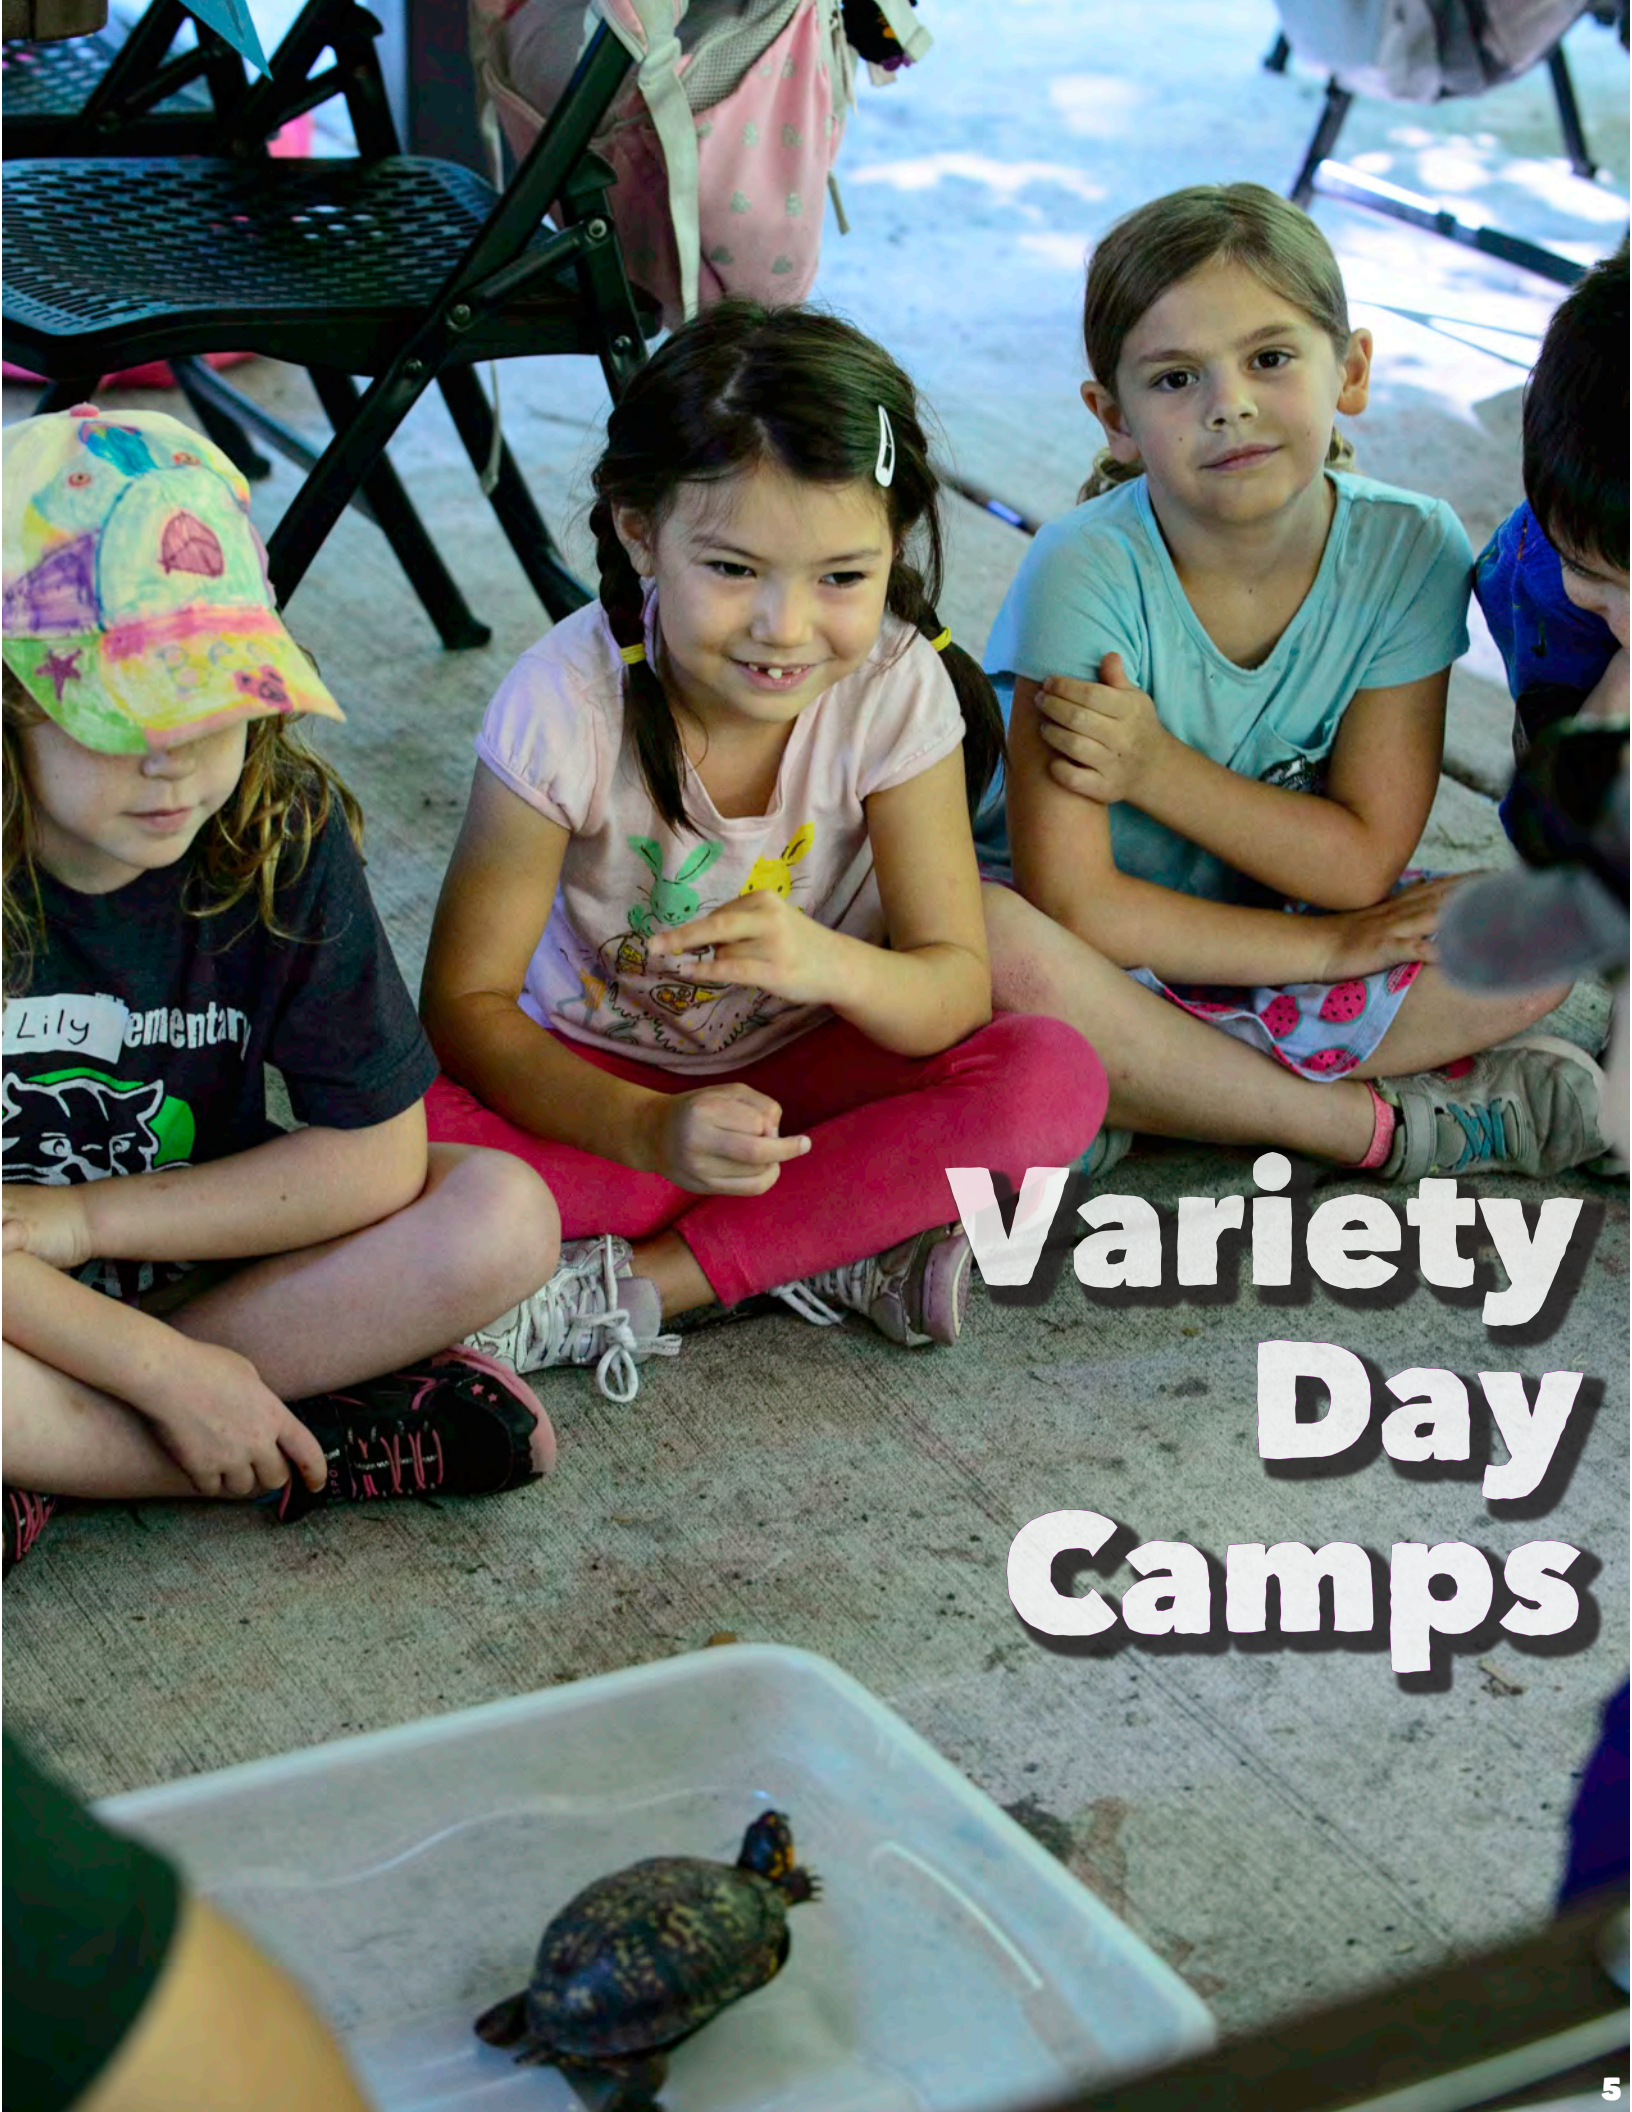

Flexible Packages: Packages are offered weekly -- be sure to register for two weeks if your child is in a two-

- **week session.** There is a daily, per session, drop-in rate for last-minute care.
- **Refunds/Transfers:** Extended Care refunds are given in full if requests are made at least 14 days in advance. NO refunds are given within 14 days or once camp begins. Transfer requests, including transfers from one site to another, will be granted up until that specific camp begins.
- **Late Fee:** \$1 for every minute after 6 p.m. Children not picked up by the end of their camp time, will automatically go to extended care if offered and parents will incur extended care fees.

Fencing Camp w/ VA Fencing Academy

Known as the physical game of chess, fencing improves coordination, balance, grace and agility. Campers are introduced to both modern Olympic sport fencing (foil, epee, saber), as well as historical swordsmanship (medieval longsword, rapier and dagger, broadsword), as they learn to fence with safety-tipped swords and protective gear. A safety waiver and equipment fee of \$49 payable to instructor are due on the first day. Parents may enroll as well.
