Natural Resource Management Plan – FY 2025 Accomplishments and FY 2026 Implementation Plan

On January 29, 2014, the Park Authority Board adopted the agency-wide Natural Resource Management Plan (NRMP). The plan coordinates agency-wide efforts to achieve the resource preservation mission of the Fairfax County Park Authority and implement agency Policy 201 – Natural Resources. Staff implemented the tenth full year of the NRMP. This presentation will highlight the NRMP, the FY 2026 implementation plan and FY 2025 accomplishments. In FY 2025 work was accomplished on all five management themes.
