What Is Rec-PAC?

Rec-PAC is a six-week, structured recreation program operated by the Fairfax County Park Authority for elementary school children. Participants enjoy activities such as fitness, indoor and outdoor games, team sports, nature, crafts, special events, talent shows and play sessions. Weekly activities incorporate character-building activities. A ratio of at least one staff person to 18 participants is our standard. Our enthusiastic leaders include college students and school teachers who bring a variety of skills.
