

NEW for 2nd Grade!

Elementary Field Trip

What: Students tour three learning centers where they learn how local 19th century producers and consumers — the farmer, miller and storekeeper — around Colvin Run Mill used natural, human and capital resources to their advantage.

When: Fall semester, Mondays through Fridays, 10am—noon

Where: Off Leesburg Pike (VA Route 7) in Great Falls, VA, between Tysons Corner & Reston

How: For more information and to make reservations, call 703-759-2771

SOLs: History 2.3, Economics 2.7, 2.8 & 2.9

- ◆ In the **mill**, students learn how the miller used natural and human resources to produce flour and cornmeal.
- ◆ In the **general store**, students handle products and goods that were useful in 19th century daily life.
- ◆ In the **barn**, students learn how wheat was grown, milled and sold for export as well as how producers and consumers used available resources to their economic
