

# Free Virtual GARDEN TALKS WITH MASTER GARDENERS

## Plant Pleasing Purple in the Garden

**Monday, January 11**

3:00-4:30 pm. (Adults) Punch up your garden with purple. Whether you have a warm or cool color garden, purple makes a great accent. Extension Master Gardeners show you how to incorporate this color into your garden all year 'round with flowers, foliage, and fruits!

## Fill Your Garden with Fabulous Ferns

**Wednesday, February 10**

12:30-2:00pm. (Adults) Have a damp or shady yard where it is difficult to grow flowering plants? Consider using ferns. They come in a wide variety of forms and can add interest to spaces that are not suitable for sun-loving flowers. Extension Master Gardeners share excellent picks for standout color, texture, and easy care.

## Start a Spring Vegetable Garden

**Monday, March 15**

3:00-4:30 pm. (Adults) Learn how to plan, plant and grow your food in an environmentally friendly way. Extension Master Gardeners show you how to get the most out of your spring kitchen garden and enjoy home-grown vegetables before the heat of summer.

## Grow the Lawn of Your Dreams

**Wednesday, April 14**

12:30-2:00pm. (Adults) Creating a beautiful lawn isn't difficult. It just takes a little bit of knowledge, planning and effort. Extension Master Gardeners show you how to develop healthy turf that can withstand pest pressure and dry weather.

## Attracting Wildlife to Your Garden

**Monday, May 17**

3:00-4:30pm. (Adults) Habitat loss has reduced wildlife diversity in our neighborhoods. You can do your part to help native fauna survive by providing food, shelter and water for visiting wildlife in your own yard. Learn gardening techniques to turn your corner of the planet into a thriving habitat for birds and native insects.
