#### School Enrichment Programs

Explore the world of textiles in the 1800s. Learn about the materials and techniques used to make clothing in the 19th century and about the four enslaved women who may have made much of the clothing worn by Sully's inhabitants during the Lee period. Students make and take home potpourri, a product used to keep rooms and people smelling sweeter.

OR

Go back to school, 19th century-style. Learn to write with a quill pen and use a slate board just as students did in the 1800s. Learn about who was able to go to school. Each person takes home a wax-sealed letter written in their own hand and a humdinger toy.
