

## **Friends Capacity Building Fund Application Form**

Provided in partnership by Fairfax County Park Authority and Fairfax County Park Foundation.

Applications are due by April 3, 2023. Submit to allison.rankin@fairfaxcounty.gov.

Funding should be used for a program or event during FY2024 (July 2023-June 2024.) Funds will be made available by August 2023.

The Capacity Building Fund (CBF) is an annual grant opportunity developed by the Park Authority and the Park Foundation to support Friends Groups' endeavors to enhance Fairfax County Park Authority sites and programs. Friends Groups may apply for funding to cover or partially cover the costs of projects, programs, equipment, or park supplies. Upon approval, the Park Authority will grant Friends Groups funding of up to \$1,000, which must be matched by the Friends Groups with either funds or volunteer hours. The approved Capacity Building Fund is donated by the Park Foundation to the Park Authority, and park staff and Friends Groups coordinate purchases using the grant funding.

Friends Groups who receive CBF support should use the FCPF/FCPA combination logo (shown above) and recognize the support of the Park Foundation and Park Authority in all materials promoting the event or project. The logo will be provided by the Friends Group Central Coordinator.

Please provide all information requested below. You may attach additional sheets and/or materials to support your request. If you need additional space to answer questions, a blank sheet is included at the end or include another document with your final submission.
