

## **Park Volunteer Team (PVT) Program**

### **Concept and Components**

- A PVT is a PA volunteer program and representative of the Agency.
- A PVT provides operational, programmatic, maintenance, and/or fundraising support at a park or for an area of interest under the guidance of the PA.
- Individuals on a PVT are covered by the County's Volunteer Insurance Policy.
- A PVT is not a separate legal entity and the volunteers on the team do not need to obtain additional insurance coverage.
- Work performed by PVTs supports the mission and vision of the Agency.
- A PVT designates a Team Captain to help lead and coordinate PA administration requirements.
- A PVT works with the PA Central PVT Coordinator and site staff.
- A PVT may use park names in the "Park Volunteer Team" context
- A PVT can serve as a stepping stone for those who want to create a formally recognized Friends Group.
