

# PARKS ARE FOR DOGS!

Operating hours are 7 a.m. to one half-hour after sunset Monday through Friday. On weekends and federal holidays, the hours are 8 a.m. to one half-hour after sunset.

Volunteer Dog Park Monitors are Park Authority volunteers who assist staff with the operations and maintenance of each dog park. They do so by encouraging awareness of dog park rules and regulations, reporting maintenance needs to the Park Authority, picking up litter and dog waste in order to model proper use and to keep park areas clean; and by promoting a sense of community among those who visit a dog park.

Users of off-leash dog areas do so at their own risk. Neither Fairfax County nor the Fairfax County Park Authority shall be liable for any injury or damage caused by any dog in the off-leash area.

The Fairfax County Park Authority (FCPA) welcomes dogs and their owners to explore our dog parks, special events and classes geared for dogs, and miles of trails throughout our parks. Grab a leash (and a waste bag or two) and embark on a memorable outdoor adventure with your furry friend!
