All activities will follow recommended, pandemic-related health safety protocols such as social distancing, mask wearing and frequent hand washing. Participants will stay with the same group of children and staff throughout the day, and staff will clean surfaces frequently.

The number Rec-PAC locations and the number of children at each site is limited this year due to COVID-related precautions. You must register in advance. No walk-in registrations are allowed at Rec-PAC sites.

What Is Rec-PAC?

Photos were taken prior to the COVID-19 pandemic. Appropriate safety protocols will be followed in all Rec-PAC programs.

Rec-PAC is a six-week, structured recreation program operated by the Fairfax County Park Authority for elementary school children. Participants enjoy activities such as fitness, indoor and outdoor games, team sports, nature, crafts, special events, talent shows and play sessions. Weekly activities incorporate character-building activities. A ratio of at least one staff person to 18 participants is our standard. Our enthusiastic leaders include college students and school teachers who bring a variety of skills.
