

Classic Cars make Father's Day Fun!

Treat your dad to a classic, eye-popping experience at the Sully Antique Car Show on Father's Day. Hundreds of antique and classic cars fill the grounds each year, ranging from the Model A to cars your dad grew up with like the Corvette, the Mustang, the T-bird or maybe even a Studebaker or Model T, depending on how old your dad is. This year's event includes a festive parade of 100-year-old cars at 2 p.m.! The show also features classic foreign cars, live music, food, a flea market and a tour of Sully's 1794 historic home. This trip down memory lane takes place one day only, Sunday, June 16 from 10 a.m. to 3:30 p.m. at Sully Historic Site in Chantilly, Va. For ticket prices and more information, see the Events section of Parktakes.

Does your dad play golf? Team up with him and play in the Father's Day Tournament on Saturday, June 15 at Burke Lake Golf Course. Details in the Golf section.

Discovery Trail Map Explores Transportation History

Blastoff for fun with this year's Fairfax County Park Authority Discovery Trail Map celebrating the 50th anniversary of man's giant leap from the Earth to the moon! Visit 12 distinctive park sites and learn about their connection to transportation throughout history – plus mark your calendar for bonus - "moon walk" activities.

Visit eight featured sites and get a prize packet valued at \$93 full of tickets to park amusements such as mini golf, camping and boat, train and carousel rides. Plus, you get to enter a drawing for one of four new bicycles and safety helmets donated by Spokes, Etc. and Trek through the Fairfax County Park Foundation.

The free maps will be available by May 18 at all Park Authority RECenters, nature centers historic sites and golf courses, all Fairfax County Public Libraries, all Spokes, Etc. locations and all Fairfax County Board of Supervisor offices. You can also download a map at www.fairfaxcounty.gov/parks/discovery-trail-map and start counting down to launch day for this summer fun promotion – Saturday, May 25, 2019.
