Join us as we begin the third phase of planning in the Fairfax Center Area. The study's first two phases, in 2013 and 2016, planned the Fairfax Center Area as a vibrant suburban center. This latest phase focuses on the central core area, whose landmarks include the county's Government Center, Fair Oaks Mall, and other commercial and residential developments. In the coming year, the study will refine the county's plan for the core area as a mixed use, walkable, and active community with access to transit and other public amenities.

A community task force will meet on Tuesday, April 2, 2024 at 7:00 p.m. and is composed of Springfield and Braddock District residents. This virtual meeting is open to the public and is hosted on Microsoft Teams.
