

Public Email comments received for PC19-MV-002 Engleside Trailer Park/Ray's Mobile Home Colony Nomination

Subject: Comment to Task Force - PC19-MV-002

Good Morning,

I reside in Mount Zephyr (22309) on Agnew Avenue and would like to provide feedback on PC19-MV002.

The PC19-MV-002 nomination would be a fantastic upgrade to Route 1 overall and likely increase property values directly off gateshead road that border the engleside trailer park/ray's mobile home colony.

Will a community mailer go out on such? If so, I would recommend sending to the residents on gateshead and they will likely be in support of such as their property look directly onto the trailer park.

Thank you,

Stephanie
