About this data - Average number of business days to process Substantial Conformance Determinations from the date submitted to each milestone. Business days exclude weekends and County holidays, and items submitted after 4:00 pm are considered submitted the following business day. This chart is updated *monthly*. Tracking of the complete milestone data (shown in chart below) began with requests submitted on or after June 1, 2026. Data provided above (Completed Requests and Average Processing Days) includes all requests completed in the previous month.

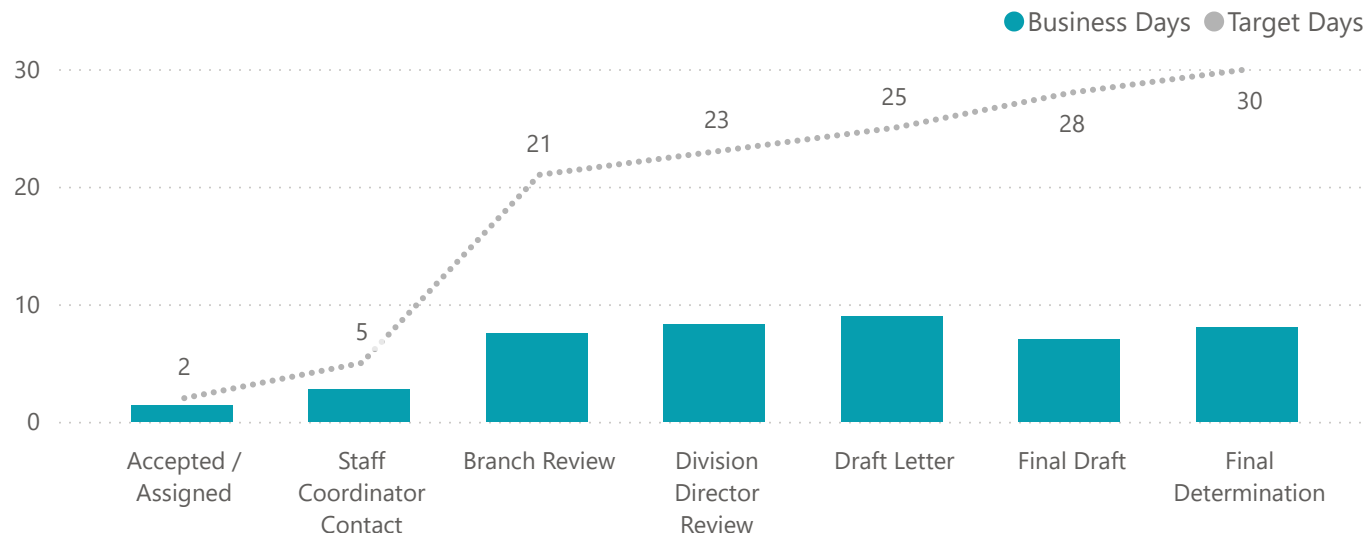

About the Processing Time

Processing times reflect the average number of business days required to complete Substantial Conformance Determination reviews from application submission through final determination.

Target Time Frame

The goal for processing Substantial Conformance Determinations is that **30%** of the requests will be processed (completed) within **30** business days. Actual processing times may vary based on application complexity and the need for additional information.
