Re: Belle View Shopping Center SSPA

Dear Aaron:

As the nominator for the Belle View Shopping Center SSPA, I would like to thank you and the Mount Vernon SSPA Task Force for considering this matter.

I also would like to confirm that, after careful thought, we have determined not to further pursue the SSPA at this time. Given COVID and the recovery from the recent fire, we are focused on ensuring that the shopping center and our tenants are able to recover as soon as possible. Our focus on these efforts, and, frankly, the feedback from both Staff and the Community, made us realize that continuing to pursue the SSPA at this time does not make sense.

We have appreciated the opportunity with work you and with the Task Force and look forward to future discussions as the future of retail and its impact on the shopping center becomes more clear.

Sincerely,

David R. Gill
