## **SPECIAL EXCEPTION APPLICATION INFORMATION**

This publication contains information on how to process a special exception application in Fairfax County. It includes instructions, a detailed list of submission requirements, an application form, an affidavit form, and a fee schedule. Additional copies of this publication are available from the Zoning Evaluation Division, Department of Planning and Development (DPD) or from the County's web site at <https://www.fairfaxcounty.gov/planning-development/zoning/application-review>. The materials contained in this package are also applicable to applications to amend previously approved special exceptions.

**SPECIAL EXCEPTION:** Section 9-001 of the Zoning Ordinance states that there are certain uses which by their nature or design can have an undue impact upon, or be incompatible with, other uses of land. In addition, there are times when standards and regulations specified for certain uses allowed within a given zoning district should be allowed to be modified, within limitations, in the interest of sound development. These uses, described as special exception uses in the Zoning Ordinance, may be allowed to locate within designated zoning districts under the controls, limitations and regulations of a special exception approved by the Board of Supervisors.

The Board of Supervisors may approve a special exception under the provisions of Article 9 of the Zoning Ordinance, when it concludes that the proposed use complies with all specified standards, including the standards that such use will be in harmony with the Comprehensive Plan and will be compatible with existing and/or planned development in the general area. In addition, in approving a special exception, the Board may impose conditions and restrictions to ensure that the standards will be met. Where such cannot be accomplished, or when it is determined that the use is not in accordance with all applicable standards of the Zoning Ordinance, the Board will deny the special exception.

In order to request consideration of a special exception, an application must be filed with the County by the owners, lessee, or contract purchasers of the land, or their designated agents. A special exception must meet specific submission requirements, including the provision of a fee and an affidavit, as set forth in the Zoning Ordinance.

**SUBMISSION REQUIREMENTS:** A synopsis of the submission requirements for an application for a special exception, pursuant to Section 9-011 of the Fairfax County Zoning Ordinance, is presented as page 8 of this package in a checklist format to provide a convenient way to ensure that all required items of the application package are submitted. In general, the submission requirements include an application form, a plat of the property showing existing and proposed uses, a zoning section sheet, photographs of the property, soil maps for residential uses, an affidavit disclosing ownership and other interests in the property, a written statement describing the proposed use, owner concurrence in the application, any applicable overlay district information, and a fee. In addition to these general submission requirements, specific additional or modified submission requirements are contained in the Zoning Ordinance for certain special exception categories or uses.

All special exceptions must meet the General Standards specified in Section 9-006 of the Zoning Ordinance. A copy of these standards is presented on page 3 of this package.

Special exceptions must also meet the category standards specified for each special exception category and additional standards for many particular special exception uses. Please refer to Article 9 of the Zoning Ordinance or request a copy of the category standards and/or additional standards for a particular use from the Zoning Evaluation Division, Department of Planning and Development, at (703) 324-1290 or from the County's web site at <https://www.fairfaxcounty.gov/planning-development/zoning-ordinance>.

**WHERE TO SUBMIT:** Special exception application packages may be submitted by mail or in person to:

Fairfax County Zoning Evaluation Division  
Department of Planning and Development  
12055 Government Center Parkway, Suite 801  
Fairfax, Virginia 22035

**ASSISTANCE:** For information on the application process, clarification of these instructions, or to set up a presubmission meeting to discuss a potential submission or for help with a submission, please call the Zoning Evaluation Division at (703) 324-1290.

**HELPFUL HINTS.** The following "Helpful Hints" are provided to assist in the filing of a special exception application:

- Each application is considered a "package" which must include all required elements when submitted. Applications will not be reviewed for acceptance until a complete package is submitted.
- Each applicant should designate a "single point of contact" who will be responsible for the application. This may be the applicant, agent, attorney, engineer, property owner, or other member of the application team.
- The application package should be reviewed for correctness and completeness prior to submission and to ensure that all parts are coordinated.
- Submitted special exception plats should be folded so that they fit into an overall application package.
- All information, including any supplemental information which may be submitted, should be clearly marked to reference the specific application.

## **ZONING ORDINANCE GENERAL STANDARDS FOR A SPECIAL EXCEPTION**

All special exception uses must satisfy the following general standards pursuant to Section 9-006 of the Zoning Ordinance in order for the Board of Supervisors to approve the application.

1. The proposed use at the specified location shall be in harmony with the adopted comprehensive plan.
2. The proposed use shall be in harmony with the general purpose and intent of the applicable zoning district regulations.
3. The proposed use shall be such that it will be harmonious with and will not adversely affect the use or development of neighboring properties in accordance with the applicable zoning district regulations and the adopted comprehensive plan. The location, size and height of buildings, structures, walls and fences, and the nature and extent of screening, buffering and landscaping shall be such that the use will not hinder or discourage the appropriate development and use of adjacent or nearby land and/or buildings or impair the value thereof.
4. The proposed use shall be such that pedestrian and vehicular traffic associated with such use will not be hazardous or conflict with the existing and anticipated traffic in the neighborhood.
5. In addition to the standards which may be set forth in this Article for a particular category or use, the Board shall require landscaping and screening in accordance with the provisions of Article 13 of the Zoning Ordinance.
6. Open space shall be provided in an amount equivalent to that specified for the zoning district in which the proposed use is located.
7. Adequate utility, drainage, parking, loading and other necessary facilities to serve the proposed use shall be provided. Parking and loading requirements shall be in accordance with the provisions of Article 11 of the Zoning Ordinance.
8. Signs shall be regulated by the provisions of Article 12 of the Zoning Ordinance; however, the Board may impose more strict requirements for a given use than those set forth in this Ordinance.

In addition to the general standards outlined above, some types of special exceptions also have specific standards which must be met. These specific standards can be found in Article 9 of the Zoning Ordinance, which is available on the County's web site at <https://www.fairfaxcounty.gov/planning-development/zoning-ordinance>.

## **PROCESSING OF A SPECIAL EXCEPTION APPLICATION**

**STEP 1 – SUBMISSION OF THE APPLICATION:** A complete special exception package, containing all of the required items, must be submitted by mail or in person to the Zoning Evaluation Division (ZED) in the Department of Planning and Development (DPD). The office is open Monday through Friday from 8:00 a.m. to 4:30 p.m.

**STEP 2 - APPLICATION ACCEPTANCE:** An application will be reviewed for acceptance only when a complete application package that contains all required submission items is submitted. The Applications Acceptance Section of the Zoning Evaluation Division will review all complete application packages in the order in which they are received. If deficiencies are found, a letter will be sent to the applicant or authorized agent, regarding deficiencies that must be corrected. The special exception application will be accepted when all Zoning Ordinance submission requirements are met, including payment of the applicable fee. Once the special exception application has been accepted, a letter will be sent to the applicant/agent verifying such acceptance. The application is then assigned to a staff coordinator and distributed to various Departments for their review. If you have any questions about your application prior to filing or acceptance, please call (703) 324-1290, TTY 711.

**STEP 3 – REZONING/SPECIAL EXCEPTION BRANCH:** After a special exception application is accepted, it is forwarded to the Rezoning/Special Exception Branch of the Zoning Evaluation Division for processing. At that time, a public hearing before the Planning Commission will be scheduled. The applicant/agent will be contacted by the staff coordinator to confirm this information. The public hearing date is generally 4 to 6 months from the date of acceptance (the date that all non-deficient submission requirements are received), unless a deferral is requested by the applicant. If you have any questions about your application once it has been accepted, please call (703) 324-1290, TTY 711.

**STEP 4 - STAFF REVIEW PROCESS:** Upon acceptance of a special exception application, the application will be reviewed by staff for compliance with the Comprehensive Plan and the Zoning Ordinance and for its impacts on land use, transportation, environmental resources, public facilities and other factors. The review process is managed by a staff coordinator within the Zoning Evaluation Division who will be the primary point of contact for the application. The staff coordinator will transmit requests for additional information needed to review the application, will provide staff comments/issues on the request, facilitate the resolution of any issues which may be identified, and will respond to questions/inquiries about the application. A written staff report will be prepared documenting the analysis of each application and presenting a recommendation to the Planning Commission and the Board of Supervisors. The staff report is generally published 2 weeks prior to the Planning Commission's public hearing, at which time it is made available to the public. The staff report is available on-line 2 weeks prior to the public hearing at <http://ldsnet.fairfaxcounty.gov/ldsnet/>.

**STEP 5 – NOTIFICATION:** Prior to the Planning Commission and Board of Supervisors public hearings, the applicant/agent must send written notice to the property owners in the vicinity as required by the Zoning Ordinance. A package which contains instructions on how to complete the notification process will be sent by the County to the applicant/agent approximately 30 days prior to each public hearing. If you have any questions about notification, please call at (703) 324-1290, TTY 711. It is extremely important that these instructions are followed exactly. A public hearing cannot be conducted

unless the notification process is completed correctly and within the mandated timeframe by the applicant or the applicant's authorized agent. Please see Section 18-110 of the Zoning Ordinance for additional information on required notification.

Between 21 and 14 days prior to the public hearing, County staff will advertise the public hearing in a local newspaper. A minimum of 15 days prior to the public hearing, County staff will also place one or more yellow sign boards on the application property notifying the public of the public hearing. The sign boards must not be removed from the property. After the public hearing, the sign boards will be removed by County staff.

**STEP 6 - PUBLIC HEARINGS:** Public hearings before the Planning Commission and the Board of Supervisors are required for all special exception applications. The Planning Commission public hearing is scheduled once the application is accepted. Applications will be scheduled in the order in which they are accepted. The Planning Commission holds a public hearing on each application and makes a recommendation to the Board of Supervisors. The Board of Supervisors public hearing is scheduled subsequent to the Planning Commission making its recommendation on the application. The Board of Supervisors holds its public hearing and makes the final decision on each application. Both the Planning Commission and the Board of Supervisors meetings are held in the Board Auditorium in the Fairfax County Government Center, 12000 Government Center Parkway, Fairfax, VA. Planning Commission meetings are held on Wednesday and Thursday nights commencing at 7:30 p.m. The Board of Supervisors meetings are held on Tuesdays commencing at 3:00 p.m. The Planning Commission agenda can be viewed on the County web site at <https://www.fairfaxcounty.gov/planningcommission/meetingcalendar> (703) 324-2865, TTY 711. The Board of Supervisors agenda can be viewed on the County web site at <https://www.fairfaxcounty.gov/boardofsupervisors/about-board-meetings> or by calling (703) 324-1290, TTY 711.

To learn more about the public hearing process, applicants may want to view a meeting prior to their hearing date.

Public Access: For special accommodations or alternative information formats, call (703) 324-3151, TTY 711.

Conduct of Public Hearings:

- The Chairman of the Planning Commission or the Board of Supervisors will call an application to be heard.
- The applicant/agent is required to be present at the public hearing and will be asked to come to the podium to state his/her name and address and to reaffirm the affidavit.

- Staff will describe the location of the property and the request, and present other pertinent information.
- The applicant/agent will present the justification for the special exception request, including how the application meets the Zoning Ordinance standards for the Special Exception.
- The public hearing will then be opened for testimony in support of, or in opposition to, the request. Anyone wanting to speak at the public hearing may do so or may submit written testimony to the Clerk to the Planning Commission or the Clerk to the Board of Supervisors, as appropriate.

Although not mandatory, as a courtesy and to ensure the accuracy of the record, those who wish to speak on a particular case are requested to sign up on the speaker's list prior to the day of the meeting by contacting either the Planning Commission at (703) 324-2865, TTY 711 or <https://www.fairfaxcounty.gov/planningcommission/speaker>, or the Clerk to the Board of Supervisors, at (703) 324-2321, TTY 711 or <https://www.fairfaxcounty.gov/bosclerk/speakers-form>, as appropriate, and identifying the following:

- application number
  - the speaker's name
  - the speaker's address and telephone number
- At any time during the public hearing, a member of the Planning Commission or the Board of Supervisors may ask questions of the applicant/agent, staff or a speaker.
  - The Planning Commission makes its recommendation, and the Board of Supervisors makes its determination, based on whether an application meets **all of the Zoning Ordinance Required Standards for a Special Exception** as found on page 3 of this publication, as well as any additional standards and other relevant Zoning Ordinance provisions. The Board of Supervisors will impose conditions on a special exception, as it deems necessary.
  - At the close of the Planning Commission public hearing, the Planning Commission will vote to recommend that the Board of Supervisors approve or deny the application, continue the hearing to another date if it needs additional information, or defer decision to a later date. At the close of the Board of Supervisors public hearing, the Board will approve or deny the application, continue the hearing to another date if it needs additional information, or defer decision to a later date.

**STEP 7 – LETTER OF DECISION:** The Clerk to the Board of Supervisors will mail a letter to the applicant or the applicant's authorized agent containing the final decision of the Board of Supervisors, which, if the special exception is approved, includes the imposed development conditions. If the Board of Supervisors denies a special exception request, a new special exception application cannot be filed on the same property for one year, unless a waiver of the one-year wait period is granted by the Board.

**STEP 8 -IMPLEMENTATION:** A special exception virtually always has conditions which must be met prior to final establishment of the use, in addition to other plats/plans such as site plans and occupancy permits which must be submitted and approved. Whenever a special exception is approved by the Board of Supervisors, the activity authorized must be established or any construction authorized must be commenced and diligently prosecuted within such time as the Board may specify in the approval, or, if no such time is specified, then, within thirty (30) months from the approval date of such special exception. If the use has not been established or construction has not commenced within such time, the special exception automatically expires, without notification by the County, pursuant to Paragraph 1 of Section 9-015 of the Zoning Ordinance, unless additional time is approved by the Board of Supervisors. Should additional time be necessary to establish the approved special exception, a letter requesting additional time must be filed with the Zoning Administrator prior to the date of expiration of the special exception. The additional time request must specify the amount of additional time requested, the basis for the amount of time requested, and an explanation as to why additional time is required. The procedure to request additional time is contained in Paragraph 2 of Section 9-015 of the Zoning Ordinance. If you have questions about the implementation of your special exception or about filing a request for additional time, please call (703) 324-1290, TTY 711.

*Note: The approval of a special exception does not interfere with, abrogate or annul any easement covenants, or other agreements between parties, as they may apply to the property subject to this application.*

§ 57-15. Proceedings by trustees or members for similar purposes, exception for certain transfers.

A. The trustees of such a church diocese, congregation, or church or religious denomination, or society or branch or division thereof, in whom is vested the legal title to such land held for any of the purposes mentioned in § [57-7.1](#), may file their petition in the circuit court of the county or the city wherein the land, or the greater part thereof held by them as trustees, lies, or before the judge of such court in vacation, asking leave to sell, encumber, extend encumbrances, improve, make a gift of, or exchange the land, or a part thereof, or to settle boundaries between adjoining property by agreement. Upon evidence being produced before the court that it is the wish of the congregation, or church or religious denomination or society, or branch or division thereof, or the constituted authorities thereof having jurisdiction in the premises, or of the governing body of any church diocese, to sell, exchange, encumber, extend encumbrances, make a gift of, or improve the property or settle boundaries by agreement, the court shall make such order as may be proper, providing for the sale of such land, or a part thereof, or that the same may be exchanged, encumbered, improved, or given as a gift, or that encumbrances thereon be extended, and in case of sale for the proper investment of the proceeds or for the settlement of such boundaries by agreement.

When any such religious congregation has become extinct or has ceased to occupy such property as a place of worship, so that it may be regarded as abandoned property, the petition may be filed either by the surviving trustee or trustees, should there be any, or by any one or more members of such congregation, should there be any, or by the religious body which by the laws of the church or denomination to which the congregation belongs has the charge or custody of the property, or in which it may be vested by the laws of such church or denomination. The court shall either (i) make a decree for the sale of the property or the settlement of boundaries between adjoining properties by agreement, and the disposition of the proceeds in accordance with the laws of the denomination and the printed acts of the church or denomination issued by its authority, embodied in book or pamphlet form, shall be taken and regarded as the law and acts of such denomination or religious body or (ii) at the request of the surviving trustees and after notice in accordance with law to all necessary parties, make such order as may be proper providing for the gift of such property to any willing local, state or federal entity or to a willing private, nonprofit organization exempt from taxation under § 501 (c) (3) of the Internal Revenue Code, provided the court finds that (a) the property includes a historic building or landmark so designated by the Commonwealth and (b) the purpose of such gift is historical preservation of the property.

The court may make such order as to the costs in all these proceedings as may seem proper.

B. As an alternative to proceeding under subsection A, (i) the trustees of a church or religious body that incorporate may transfer the title to the real and personal property of the church or religious body held by them to the incorporated church or religious body; and (ii) the trustees of a church or religious body that do not incorporate under subdivision (i) hereof may transfer title to the real and personal property of the church or religious body held by them to a corporation created pursuant to § [57-16.1](#) without, in either instance, obtaining court permission if the transfer is authorized in accordance with the church's or religious body's polity. If no petition seeking to set such a transfer aside is filed within one year of the recordation of the trustees' deed transferring title to the real estate, or the date of the transfer of any personal property, it shall be conclusively presumed that the transfer was made in accordance with the church's or religious body's polity insofar as a good faith purchaser or lender is concerned.

C. No transfer made pursuant to subsection A or B shall operate as a transfer for purposes of a provision contained in any note or deed of trust that purports to accelerate an indebtedness upon a transfer of title. Any such transfers of real estate shall be entitled to the exemptions set forth in § [58.1-811](#).

D. Any transfer of real or personal property made pursuant to subsection B, and any similar transfer made pursuant to subsection A after April 23, 2002, shall be deemed to assign to the incorporated church or religious body, or the corporation created pursuant to § [57-16.1](#), as the case may be, the beneficial interest in every policy of insurance of every kind, type, and description, relating to the property transferred, contemporaneously with the transfer, and the transferee shall have all of the rights and obligations of the transferor relating thereto.
