Chapter 22. This Amendment concerns approx. 169 ac. in the Mason Supervisor District with an irregular border on both sides of Little River Turnpike (Rte. 236) from the City of Alexandria boundary to Chowan Ave. The subject area is coterminous with the boundary of the Lincolnia Community Business Center (CBC) and extends as far north as Lincolnia Road and Wingate Street; south to 8th Street east of Manitobra Drive; and south of Fran Place west of Manitobra Drive. The area is currently planned and developed with predominantly multi-family residential dwelling units and office, retail, and institutional uses. The amendment proposes adding options to encourage a mix of uses with a residential component in the eastern portion of the Lincolnia CBC on the north and south sides of Little River Turnpike. The proposed new development potential for the CBC is approximately 3,400 residential units and 574,200 square feet of office, retail and institutional uses. The amendment also recommends a new transportation network within the Lincolnia CBC. The alternative network would introduce a new grid of streets with additional road connections, bicycle and pedestrian facilities. Other recommendations relating to the transportation network may also be modified.
