## Notes/Narratives

On 4-21-15, I was notified by [REDACTED] that there was a video going around the school that contained child porn. We met in [REDACTED] office with another female student, [REDACTED], who stated that she was sent a video that showed a female student performing oral sex on a male student. Both students attend Sandburg and are [REDACTED]. I was able to identify the female student as, [REDACTED] along with several students all stated that the male in the video was, [REDACTED]

[REDACTED] stated that this took place after school possibly on a friday over by [REDACTED] was not able to provide anymore details. [REDACTED] stated that she did not know that [REDACTED] was videotaping her.

After speaking to several students at school, I found out that [REDACTED] sent the video to two students at Sandburg: [REDACTED] [REDACTED] stated that he did not send it to anyone. [REDACTED] admitted to sending it to a female student at Sandburg. One day (they could not provide a specific date or time) during [REDACTED] pulled out his cell phone and showed [REDACTED] They told [REDACTED] said he would send the video to them. This video was sent via the application: [REDACTED]

The video was sent to 15+ students at Sandburg MS. I met with [REDACTED] in the Student Services conference room. [REDACTED] did not want to give his version of what happened and how the video was distributed to multiple students. [REDACTED] step father refused to have [REDACTED] turn his phone over for the investigation. This meeting took place on 4-21-15 at 1330 hours.

I consulted with [REDACTED] and the CWA's office is not going to prosecute the students that distributed this video at this time. The CWA's office will pursue charges again [REDACTED] for production of child porn and one count of distribution of child porn. [REDACTED] requested that I collect the phones/tablet from [REDACTED] These items were sent to the property room at station 2. The parents of [REDACTED] and [REDACTED] were notified.

A search warrant was written, signed, and executed on 4-20-15. With the help of CIS and CIB I collected [REDACTED] phone and three other electronic devices that possibly have the video stored on it.
