Notes/Narratives

On Saturday, May 9, I responded to 8428 Fort Hunt Rd (Carl Sandburg Middle School) for a report of a destruction of property. On arrival I met with School security officer [REDACTED] stated that unknown kids broke a toilet paper dispenser, and toilet papered one of the school hall ways. The kids also took a bunch of carrots and threw them throughout another one of the schools hallways.

The school janitor cleaned up the mess prior to my arrival. The value of the dispenser was guessed to be around \$50.00

At this current time there is no suspects. The Janitor whom was not on scene stated that a teacher did kick some students out of a classroom earlier and stated that they might have been the ones whom committed the crime. The security guard stated he will attempt to get names at a later date should they decide to press charges.

I provided [REDACTED] with a case number and business card. No further actions needed at this time.

Inactive.
