Notes/Narratives

On 6-12-15 [REDACTED] came to my office to report that his cell phone was stolen during 4th period. [REDACTED] 4th period science class was outside. [REDACTED] placed his phone on the grass near the sidewalk. [REDACTED] stated that he saw a few other phones in the same area. He went back to pick up his phone when class was over and noticed it was missing. School Security and the science teacher began talking to some students. A student, [REDACTED] told the teacher that [REDACTED] handed him the phone in the hallway. I spoke to [REDACTED] and he admitted to taking the phone and said he gave it to another student because he wasn't sure what to do with it.

The phone was returned to [REDACTED]. [REDACTED] mom responded to the school and we met in my office and she informed me that she wanted to press charges.

The Parent Liason, [REDACTED] dad and informed him of what happened and that the victim's parents wanted to press charges. The dad told [REDACTED] that he had some questions about this and what was going on. He never called back to make an appointment.

Intake form and the report was sent to JDC Intake for processing.
