## Notes/Narratives

On 8/29/2015 I was dispatched to a school alarm at Carl Sandburg Middle School. Upon my arrival, we assisted units that were already on scene in securing the perimeter. We were advised of an alarm on the roof had been set off, motion sensors that were triggered within the school and also that an alarm at exit 8 of the school had been triggered.

While securing the perimeter, we noticed that there were a lot of people on the school grounds all doing different activities. Some were on the soccer fields, some on the baseball fields, and some playing basketball. Primary units attempted to make contact but no one had witnessed anything.

We made contact with [REDACTED] who had his vehicle parked just outside of exit 8, and stated that he saw 4 caucasian males between the ages of 14-15 exit through the doors of exit 8. They walked behind his vehicle and he stated seeing that at least 2 subjects were shirtless, one had a dark colored t shirt and the other a white t shirt. He also recalled two subjects with baseball caps, one had his backwards. He advised that they were last seen heading towards the front of the school.

The school grounds were cleared of any of the suspects, and all doors were verified to be secured. School Security [REDACTED] responded to the scene and was advised of our findings. Nothing further at this time.
