Notes/Narratives

On Friday September 25, 2015 I was dispatched to Carl Sandberg Middle School in reference to a bag of clear liquid with some type of [REDACTED] in it sitting in a porter pottie. When I arrived on scene I located the bag. It did not appear to be any type of [REDACTED] It looked like a possible [REDACTED] with some kind of medicine in it. I took the bag to the [REDACTED] where workers there were able to advise me that it was the bag of hand sanitizer that you put in dispensers. The bag was then properly discarded.
