Notes/Narratives

On 10-23-2015 at around 2100 hours, I responded to the Mt Vernon Station for a report of a Larceny that took place at Carl Sandburg MS around 0830 hours. I then spoke to victim [REDACTED] and wife stated that her daughter [REDACTED] who attends Carl Sandburg MS was at her first period class [REDACTED] when she left her school pencil holder pouch next to a bench in the girls locker while she went outside. [REDACTED] stated while [REDACTED] was out doing [REDACTED] someone came in the girls locker and stole her pencil pouch which contained her I-Phone 5C [REDACTED], a set of headphones, a calculator, crayons, and pencils.

[REDACTED] stated that the T-Mobile phone package cost him around \$525.00. [REDACTED] stated that he reported it to T-Mobile. [REDACTED] had been trying to call the number or check if can locate the phone on line but its shut off. [REDACTED] described the I-Phone as color yellow in a gray case. [REDACTED] stated that she believes it was someone from her class that knew that she had the phone in her pouch and that when they went out during the PE class someone took it. [REDACTED] stated that she did not have space for her pouch in her locker so she left it out on the bench like everyone does all the time. [REDACTED] does not suspect anyone in specific at this time. [REDACTED] did not inform Carl Sandburg staff or the SRO and waited until getting home to tell [REDACTED]

TTY2 notified. I-Phone 5C entered on NCIC/VCIN. TTY# 1529700003

Supplement Notes

I have interviewed several students that have PE 1st period and nobody saw anything suspicious that day. The students are given lockers to lock up their valuables. I contacted [REDACTED] on 11-5-15 at 1029hours to inform him that I do not have any suspects at this time.

Case is held inactive.
