Notes/Narratives

The caller is the comisioner of the Fort Hunt Youth Lacrosse club. They have a storage shed under the bleachers at Carl Sandburg Elementary School. On 12/12 the caller found the lock and hasp ripped off the front door of the shed, and nothing taken. The caller repaired the hasp, and on 12/19 he found it ripped off again. Nothing was taken. This time the caller installed two new hasps and padlocks on the doors. On 12/24 the caller found the shed broken into a third time, and the listed property stolen and damaged. He called in and phone report was taken on 12/30.

Supplement Notes

A trail camera was placed outside of the shed to attempt to catch any possible suspect, who might return to break in to the shed again. However the camera captured noone of interest in or around the shed due to not being able to place it in a location where it was concealed.

A key was obtained to place the camera inside the shed, to conceal it from view and capture anyone one who illegally enters the shed. However the complainant expressed he`d rather have the camera outside as a deterrent.

I advised the complainant that I could not do that, but he could place his own up in the area if he wished.

Nothing further.
