### Notes/Narratives

On 1-8-16 around 1145 hours, three male students were upstairs running down the hallway yelling. These students disrupted several classes that were in session. Five teachers had to come out of their classroom to see what was going on. The teachers asked them to stop to try and figure what they were doing and where should they be. The boys did not stop. These boys constantly run around the building yelling which interrupts other classes. Over the last few weeks we have had students injured because of students running around the school.

The students are: [REDACTED]

I sent the report and Intake forms to Intake for processing for Disorderly Conduct.
