## Notes/Narratives

On 03-12-2016 at 2039 hours, I responded to the Carl Sandburg MS back lot area and fields for a Destruction of property and Trespassing. Once I arrived there I parked at the back of the school and walked in. I then observed a small group of females and males playing and running on the track. I then identified them as [REDACTED] All stated that they were playing in the area when a group of other kids from West Potomac HS pushed the Portal John Potty next to the track field then ran away. [REDACTED] stated that the kids who did it were like about 8 white males. [REDACTED] or the rest of the group claimed not knowing the kids. This OFC and other units searched the area with negative results. No other property seemed to be messed with.

Case Closed leads exhausted
