### Notes/Narratives

On 4-4-16, I was informed by a bus supervisor that the rear window on bus #1136 was shattered. This occurred sometime between 4-1-16 at 1700 hours and 4-4-16 at 0645 hours. There are no suspects at this time. There are no exterior cameras at the school.

There were three other cases that took place sometime over the weekend that are possibly related: #20160950025, #20160950026, and #20160950048. I provided School Security with the case numbers.

Nothing further at this time.
