Notes/Narratives

On 12-8-16, this unit was informed by [REDACTED] about a situation that took place on 12-6-16. [REDACTED] stated that he received an anonymous tip that a 8th grade student [REDACTED] was in possession of marijuana. [REDACTED] began his investigation which lead to a search of [REDACTED] person and bookbag. [REDACTED] located a small jar with what appeared to be marijuana residue (not enough to be tested). There was also an odor when the jar was opened.

[REDACTED] claimed that someone approached him while he was out on Halloween and asked him if he wanted to sell marijuana to other students at school. [REDACTED] told this unknown male yes, but he would not do it for free. [REDACTED] then sold to a few students at school and when he "ran out" this unknown male came to the school and met him outside door #12. This unit parks her cruiser by this door and it is also near the dumpsters where the custodians are constantly going in and out of the building.

School Security and the [REDACTED] took possession of the jar. [REDACTED] was referred to the Hearings Office and was immediately suspended for 10 days.

There is not enough to charge [REDACTED] at this time. Nothing further.
