NON-IBR REPORTABLE ARRESTS

In addition to those offense categories reported as Group "A" and Group "B" offenses, this report also captures arrests made by the Fairfax County Police Department that have been deemed Non-IBR Reportable by Virginia State Police Uniform Crime Reporting IBR system. ..

The Fairfax County Police Department gathers statistical data based on the Virginia State Police Uniform Crime Reporting Incident Based Reporting (IBR) system. Information relating to two different levels of offenses is collected by the IBR system. The most serious offenses are designated as Group "A" offenses; the less serious offenses are designated as Group "B" offenses. Group "A" offenses consist of 22 categories of crimes involving 46 different offenses; a maximum of 10 offenses per incident may be reported.

The use of named Districts indicates arrests made within the particular police district's geographical boundaries regardless of officer assignment. This data is not reflective of Board of Supervisor District boundaries.

Arrest numbers are based on the number of charges – not the number of individuals taken into custody.

FCPD began capturing the Group B category Runaway (Juvenile Runaway) as arrests in 2012. Runaways are the only non-criminal category included within arrest statistics.

Statistics for CY2014 used in this report may differ from those published in 2014 reports. Additional cases were reclassified as they were under active on-going investigations after the CY2014 was published. This may include status changes to initial offenses and reclassification of offense titles from the initial date reported.
