The Subcommittee reviews complaints to determine whether: (Panel Bylaws Article VI.D.3.(a))

(2) The evidence contained in the investigative file could lead a reasonable Panel to conclude that there is sufficient evidence to support the allegations.

3. FCPD officers exhibited racial bias during the investigation		
4. Alleged that the FCPD officer did not thoroughly investigate the assault allegation between the Complainant and the perpetrator		

Missing Information

If there is any indication there may be missing information from the investigative file, describe it here.

Subcommittee Findings and Recommendation

Check the Subcommittee's recommendation to the full Panel and keep one statement below that applies based on criteria met.

☐ **Subcommittee Does Not Recommend full Panel Review**	**Criterion 1 is not met:** The Subcommittee unanimously finds that the allegation(s) made by the Complainant do not meet the threshold of Serious Misconduct or Abuse of Authority and therefore the Panel does not have authority to review the complaint. The Subcommittee does not recommend that the full Panel take up review of this Complaint. **Criterion 1 is met, but Criterion 2 is not met:** The Subcommittee unanimously finds that the complaint alleges Serious Misconduct or Abuse of Authority, however, the evidence contained in the investigative file could not lead a reasonable Panel to conclude there is sufficient evidence to support allegations. Further, the Subcommittee has no reason to believe there is missing information from the Investigation Report. Therefore, the Subcommittee does not recommend that the full Panel take up review of this Complaint.
☐ **Subcommittee Recommends full Panel Review**	**Criteria 1 and 2 are both met:** The Subcommittee finds that the allegation(s) made by the Complainant meet the threshold of Serious Misconduct or Abuse of Authority as defined above AND that the evidence contained in the investigative file could lead a reasonable Panel to conclude that there is sufficient evidence to support the allegations. Therefore, the Panel subcommittee recommends that the full Panel take up review of this Complaint.
