BACKGROUND:

In 1997, Fairfax County, Virginia developed and implemented a competitive solicitation process for funding human services programs developed by nonprofit agencies. The Board of Supervisors, in 1998, then established the Consolidated Community Funding Advisory Committee (CCFAC) to oversee the county's Consolidated Community Funding Pool (CCFP) policy, planning and development of categories and proposal evaluation criteria. The committee is comprised of representatives from nine (9) Fairfax County Human Services Boards and Commissions and several community sectors. The committee works in partnership with the Community Action Advisory Board (CAAB) to determine the program areas for CCFP awards funding through the Community Services Blok Grant (CSBG) allocation to Fairfax County and collaborates with the Fairfax County Redevelopment and Housing Authority (FCRHA) to allocate CDBG funding in the County's Consolidated Plan.

Throughout the CCFP's history, the CCFAC have strategically adjusted the categories to meet the county's changing needs and to recognize the changing nature of the nonprofits. These categories were identified as needs and are aligned with health and human services determinants. Each outcome statement focuses on a broad community definition and specifically includes all individuals and families, income levels, abilities and ages. Where appropriate, providing transportation, high quality and affordable childcare, linguistically and culturally appropriate services and/or other resources that remove barriers and allow participation, may be included in all seven categories.

To determine how CCFP funds should be used the CCFAC:

- Utilized the feedback from the Board of Supervisors and the community as a method of validating and adjusting the current categories and their respective service examples; and
- Conducted community engagement sessions, administered an online survey, utilized social media outlets to derive feedback and invited all interested parties to present their comments on the proposed category areas.

For the FY2023-2024 funding cycle, the CCFAC organized the funding categories according to seven category areas as listed on pages 4-5 under the Proposal Guidelines of this RFP. The Fairfax County Board of Supervisors approved the funding categories on June 22, 2021. The funding pool categories and its requirements reflect the county's emphasis on outcome accountability based less on what is done for clients and more on how their lives and conditions are improved as a result of the programs.

This Request for Proposal is the fifteenth since the creation of the CCFP. For information on previously funded programs, please visit <https://www.fairfaxcounty.gov/procurement/sponsoredprograms/fundingpool>. Information on funded programs for the FY2021-2022 award cycle can be viewed on the county's contract register at: <https://www.fairfaxcounty.gov/cregister/> by entering "CCFP" into the description of contract, service or commodity field.

PROPOSAL GUIDELINES:

In the case of programs for which multiple organizations are collaborating on a joint proposal, the proposal may target up to a maximum of three categories. **FUNDING CATEGORIES ARE NOT RANKED IN ANY ORDER OF IMPORTANCE.** *Service examples may include but are not limited to the examples listed in each category area below.*

One Fairfax is a joint racial and social equity policy of the Fairfax County Board of Supervisors and School Board adopted in November 2017. It commits the county and schools to intentionally consider equity when making policies or delivering programs and services and is a declaration that all residents deserve an equitable opportunity to succeed-regardless of their race, color, sex, nationality, sexual orientation, religion, disability, income or where they live.

Racial equity means closing the gaps so that race does not predict one's success, while also improving outcomes for all. To do so we have to target strategies to focus improvements for those worse off and move beyond services and focus on changing policies, institutions and structures.

Fairfax County's challenges cannot be solved by county government alone. The creativity, diversity and energy of our residents, businesses and community organizations will need to be harnessed to create a more equitable Fairfax County.

Watch the video [Becoming One Fairfax – An Introduction to Key Concepts](#) and review the [One Fairfax Policy](#) before answering the following questions

1. Identify which One Fairfax Policy Areas of Focus to Promote Equity are related to the proposed services and describe how they are aligned. (2 points)
2. Describe how the proposed program utilizes data and geospatial resources ([GIS Mapping](#)) to deepen understanding of the inequities in the county and specifically in the area to be served? Describe how this information influences the program described in the proposal? (2 points)
3. Describe how the perspectives of clients/households (or impacted groups) have been included in the program design and delivery? (2 points)

PROPOSAL CONTENT A - COST NARRATIVE FORM

Applicants are required to use the Budget Forms to respond to the following sections. Budget forms can be downloaded at [Bonfire](#) website.

F. BUDGET AND BUDGET JUSTIFICATION

Total = 20 Points

Proposal presents a clear and reasonable program budget and identifies additional resources to sustain the program other than county funds or county contributions that can help support the proposed program. (Resources may include volunteers, in-kind contributions, cash donations, supplies and services, donations, grants and/or contracts.)

1. Provide a brief supporting narrative to link costs with project activities/services. Describe how program management will maximize cost effectiveness of the requested funds. The narrative should explain how the Applicant estimated and calculated all costs, and how they are relevant to the completion of the proposed program. As with all budget forms i.e., Form 4, 4A and 4B and 5, the Budget Narrative should be broken down by year. (5 points)

2. Program Budget: Complete **Form 4 and 4A**.

The budget must provide the detailed computation for each budget line item, listing the cost of each item. Figures should reflect cash only and should not include non-cash resources. (7 points)

Describe and justify each budget line item using **Form 4B, Budget Justification**. The budget justification must explain how all estimated costs were calculated. Failure to adequately describe and justify each line item on Forms 4A and 4B will result in a loss of points. Personnel costs must show the annual salary rate and the percentage of time devoted to the program for each employee paid through CCFP funds. **NOTE: Applicants' indirect cost rate, used to calculate overhead costs for administering the program(s), should not exceed Fairfax County FY2021 indirect cost rate of 14.12% unless otherwise stated.**

3. Estimated Program Revenue: Complete **Form 5**: **NOTE:** Estimated Revenue identifies all resources that support/sustain the program during and beyond the funding periods. Cash resources include donations, grants, contracts and awards. Non-cash resources include volunteers, in-kind contributions and goods, supplies and service donations. Non-professional volunteers are to be valued at \$29.14 per hour in accordance with the current Virginia Employment Commission established rate. The hourly value of a professional volunteer's service is to be determined based upon the normal hourly rate charged by the professional volunteer for paid services. The hourly values must be justified in the written narrative. (3 points)

4. Describe, in detail, funding plans to sustain the program during and beyond the requested funding period. This sustainability plan should describe the applicant's ability to provide sufficient supporting resources to sustain and grow the program over and above county funding commitments. The plan should also include a demonstrated ability to increase program leveraging (all resources) from FY2023 to FY2024. (5 points)

NOTE: If awarded a contract, the Applicant's actual reported leverage, including the expected increase during FY2023 through FY2024, may be considered in future evaluations of the program's effectiveness.

E. Equitable Practices

Total = 6 Points

One Fairfax is a joint racial and social equity policy of the Fairfax County Board of Supervisors and School Board adopted in November 2017. It commits the county and schools to intentionally consider equity when making policies or delivering programs and services and is a declaration that all residents deserve an equitable opportunity to succeed-regardless of their race, color, sex, nationality, sexual orientation, religion, disability, income or where they live.

Racial equity means closing the gaps so that race does not predict one's success, while also improving outcomes for all. To do so we have to target strategies to focus improvements for those worse off and move beyond services and focus on changing policies, institutions and structures.

Fairfax County's challenges cannot be solved by county government alone. The creativity, diversity and energy of our residents, businesses and community organizations will need to be harnessed to create a more equitable Fairfax County.

Watch the video [Becoming One Fairfax – An Introduction to Key Concepts](#) and review the [One Fairfax Policy](#) before answering the following questions

1. Identify which “One Fairfax Policy Areas of Focus to Promote Equity” are related to the proposed services and describe how they are aligned. (2 points)
2. Describe how the proposed program utilizes data and geospatial resources ([GIS Mapping](#)) to deepen understanding of the inequities in the county and specifically in the area you serve? Describe how this information influence the program described in the proposal? (2 points)
3. Describe how the perspectives of clients/households (or impacted groups) have been included in program design and delivery? (2 points)

PROPOSAL CONTENT B – COST NARRATIVE FORM

F. BUDGET AND BUDGET JUSTIFICATION

Total = 20 Points

Proposal presents a clear and reasonable program budget and identifies additional resources to sustain the program other than county funds or county contributions that can help support the proposed program. (Resources may include volunteers, in-kind contributions, cash donations, supplies and services, donations, grants and/or contracts.)

1. Describe and justify each budget line item using **Form 4 and 4A, and 4B, Budget Justification**. Failure to adequately describe and justify each line item on Forms 4A and 4B will result in a loss of points. Personnel costs must show the annual salary rate and the percentage of time devoted to the program for each employee paid through CCFP funds. **NOTE: Applicants' indirect cost rate, used to calculate overhead costs for administering the program(s), should not exceed Fairfax County FY2021 indirect cost rate of 14.12% unless otherwise stated.** (10 points)

“Total Program Budget” means the total cost of conducting the program in Fairfax County, CCFP funds requested included. “CCFP Budget Request” should reflect the portion of the total budget to be funded by CCFP only. Figures should reflect cash only and should not include non-cash resources.

2. Proposal includes completed Form 5 and identifies additional resources that will support and sustain the program during and beyond the funding period, including the use of volunteers, in-kind contributions, goods, supplies, etc. (5 points)

NOTE: Applicants are to disclose whether they have pending applications for other Fairfax County funds that include requests for funding to support the same program being proposed under this RFP to cover any of the cost items outlined in the budget narrative and budget forms. This also includes current contracts that cover any of the identified program costs.

3. Describe, in detail, plans to sustain the program during and beyond the CCFP funding period. This sustainability plan should describe the applicant's ability to provide sufficient supporting resources to sustain and grow the program over and above county funding commitments. The plan should also include a demonstrated ability to increase program leveraging (all resources) from FY2023 to FY2024. (5 points)

NOTE: If awarded a contract, the Applicant's actual reported leverage, including the expected increase during FY2023 through FY2024, may be considered in future evaluations of the program's effectiveness.

If such an appropriation is not made for any fiscal year, the contract shall terminate effective at the end of the fiscal year for which funds were appropriated and the County will not be obligated to make any payments under the contract beyond the amount appropriated for payment obligations under the contract. The County will provide the Contractor with written notice of non-appropriation of funds within thirty (30) calendar days after action is completed by the Board of Supervisors.  - d. The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.
 - e. Contractor shall, throughout the term of this contract, comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended. Contractor shall further require that all of its subcontractors will comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended.

Fairfax County may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.
4. **No Indemnification by the County.** The parties agree that under applicable law the County cannot indemnify or defend the Contractor. To the extent any promise or term contained in this Contract, including any exhibits, attachments, or other documents incorporated by reference therein, includes an indemnification or obligation to defend by the County, that promise or term is stricken from this Contract and of no effect.
5. **Contractual Disputes:**
 - a. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the Purchasing Agent, who shall reduce her decision to writing and mail or otherwise forward a copy to the Contractor within ninety (90) days. The decision of the Purchasing Agent shall be final and conclusive unless the Contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A Contractor may not institute legal action, prior to receipt of the Purchasing Agent's decision on the claim, unless the Purchasing Agent fails to render such decision within the time specified.
 - b. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the Contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based.
