If any department or agency of the County government purchases or contracts for any supplies, materials, equipment or contractual services contrary to the provisions of §15.2-1238 of the Code of Virginia or the rules and regulations made thereunder, such order or contract is void and of no effect. The head of such department or agency shall be personally liable for the costs of such orders and contracts.
- E. Notwithstanding any other provision of law in determining the award of any contract for time deposits or investment of its funds, the Director of Finance may consider, in addition to the typical criteria, the investment activities of qualifying institutions that enhance the supply of, or accessibility to, affordable housing within the jurisdiction, including the accessibility of such housing to employees of the county, town, or city or employees of the local school board. Section 2. Methods of Procurement.

- A. Competitive Sealed Bidding.- is a method of contractor selection that includes the following elements:
1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the purchase. Unless the County has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. Such criteria may include a history of (i) completion by the bidder and any potential subcontractors of specified safety training programs established by the U.S. Department of Labor, Occupational Safety and Health Administration; (ii) participation by the bidder and any potential subcontractors in apprenticeship training programs approved by state agencies or the U.S. Department of Labor; or (iii) maintenance by the bidder and any potential subcontractor of records of compliance with applicable local, state and federal laws. When it is impractical to prepare initially a purchase description to support an award based on prices, a solicitation may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.
 2. Public notice of the Invitation to Bid at least five days prior to the date set for receipt of bids by posting on the Department of General Services' central electronic procurement website or publication in a newspaper of county wide circulation, or both. Public notice may also be published on a Fairfax County government web site and other appropriate web sites. In addition, bids may be solicited directly from potential vendors.

FAIRFAX COUNTY PURCHASING RESOLUTION

any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability.

5. Award to the lowest responsive and responsible bidder. Multiple awards may be made when so specified in the Invitation to Bid.

B. Competitive Negotiation.- is a method of contractor selection that includes the following elements:

1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors which will be used in evaluating the proposal indicating whether a numerical scoring system will be used in evaluation of the proposal, and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications which will be required of the contractor. A public body may include as a factor that will be used in evaluating a proposal the proposer's employment of persons with disabilities to perform the specifications of the contract. In the event that a numerical scoring system will be used in the evaluation of proposals, the point values assigned to each of the evaluation criteria shall be included in the Request for Proposal or posted at the location designated for public posting of procurement notices prior to the due date and time for receiving proposals.
2. Public notice of the Request for Proposal at least five days prior to the date set for receipt of proposals by posting on the Department of General Services' central electronic procurement website, by publication in a newspaper of county wide circulation or both. Public notice may also be published on a Fairfax County government web site and other appropriate web sites. In addition, proposals may be solicited directly from potential vendors.
3. Competitive Negotiation – Consultant Services
 - a. Selection Advisory Committee
 1. When selecting a firm for consultant services where the compensation for such services is estimated to exceed \$200,000, the Director of DPMM or other Authorized Agency, or the FCPS Division Superintendent, or designee shall appoint a Selection Advisory Committee to recommend to the Director of DPMM or other Authorized Agency, those consultant services firms that are to be retained by the County. The SAC will be composed of three or more principal staff personnel and other such individuals as determined by the Purchasing Agent and a member of the DPMM or other authorized agency.

FAIRFAX COUNTY PURCHASING RESOLUTION

3. Minutes of Selection Advisory Committee deliberations and records or votes taken shall be maintained for at least three years. Minutes shall detail pertinent reasons for committee recommendations and be available for review by the general public upon request.

b. Public Announcement

1. When consultant services are requested to be purchased, the requirement will be announced in a uniform and consistent manner. Requirements where the compensation for consultant services is estimated to be less than \$200,000 may be accomplished without public announcement, but will, whenever possible, utilize available lists and other known sources to make a selection from at least four candidates.

c. Selection, Negotiation and Approval Process.

1. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. After negotiations have been conducted with each offeror so selected, the County shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so stated in the RFP, awards may be made to more than one offeror. Should the County determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror.

Full and detailed explanation of the selection criteria and fee determination shall be presented with the contract by the using agency.

4. For all cost-plus-a-fixed-fee consultant services contracts, the County shall require the firm receiving the award to execute a truth-in-negotiation certification stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. Any consultant services contract under which such a certificate is required shall contain a provision that the original contract price and any additions shall be adjusted to exclude any significant sums where the County determines the contract price was increased due to inaccurate, incomplete or noncurrent wage rates and other factual unit costs. All such contract adjustments shall be made within three years following the end of the contract.

4. Competitive Negotiation – Professional Services

a. Selection Advisory Committee.

1. When selecting a firm for professional services where the compensation for such professional services is estimated to exceed \$80,000, the Director of DPMM or other Authorized Agency, or the FCPS Division Superintendent, or designee shall appoint a Selection Advisory Committee to recommend to the Director of DPMM or other Authorized Agency, those professional services firms that are to be retained by the County. The SAC will be composed of three or more principal staff personnel and other such individuals as determined by the Purchasing Agent and a member of the DPMM or other authorized agency.

2. When selecting a firm for professional services, where the compensation for such professional services is estimated to be less than \$80,000, the Director of the funded Agency or FCPS Department Head shall appoint a Selection Advisory Committee composed of three or more principal staff personnel to recommend to the Director of the funded Agency or FCPS Department Head those professional services firms that are to be retained by the County or an agency of the County.

FAIRFAX COUNTY PURCHASING RESOLUTION

3. Minutes of Selection Advisory Committee deliberations and records or votes taken shall be maintained for at least three years. Minutes shall detail pertinent reasons for committee recommendations and be available for review by the general public upon request.

b. Public Announcement and Qualifications for Professional Services.

1. When professional services are requested to be purchased, the requirement will be announced in a uniform and consistent manner. Requirements where the compensation for such professional services is estimated to be less than \$80,000 may be accomplished without public announcement, but will, whenever possible, utilize available lists and other known sources to make a selection from at least four candidates.

2. For architectural or engineering services estimated to cost less than \$80,000, an annual advertisement requesting qualifications from interested architectural or engineering firms will meet the requirements of paragraph (1) above. The County shall make a finding that the firm to be employed is fully qualified to render the required service. Among the factors to be considered in making this finding are the capabilities, adequacy of personnel, past record of performance, and experience of the firm.

c. Selection, Negotiation, and Approval Process

1. Selection of Professional Services: Where the cost is expected to exceed \$80,000, the County shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. In addition, offerors shall be informed of any ranking criteria that will be used by the County in addition to the review of the professional competence of the offeror. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the County may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the

FAIRFAX COUNTY PURCHASING RESOLUTION

County shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. DPMM or other Authorized Agency, with the aid of the Selection Advisory Committee, shall negotiate a proposed contract with the highest qualified firm for the professional services required. The firm deemed to be the most qualified will be required to disclose its fee structure during negotiation. If a contract satisfactory and advantageous to the County can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the County determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror. Notwithstanding the foregoing, if the terms and conditions for multiple awards are included in the Request for Proposal, the County may award contracts to more than one offeror.

2. Except for construction projects and related architectural, engineering, and consultant services, all proposed contracts for professional services, where the compensation to be paid exceeds \$200,000, after review of the SAC recommendation a contract shall be awarded by the Purchasing Agent for those professional services to be retained by the County or an agency of the County. The Purchasing Agent or FCPS Division Superintendent will notify the Board of Supervisors and/or the School Board prior to final contract execution.

3. All proposed contracts for professional services, where the compensation to be paid is less than \$200,000, shall be approved by the Director of DPMM or Other Authorized Agency. Full and detailed explanation of the selection criteria and fee determination shall be presented with the contract by the using agency.

4. For all cost-plus-a-fixed-fee professional services contracts, the County shall require the firm receiving the award to execute a truth-in-negotiation certification stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. Any professional services contract under which such a certificate is required shall contain a provision that the original contract price and any addition thereto shall be adjusted to exclude any significant sums where the County determines the contract price was increased due to inaccurate, incomplete or noncurrent wage rates and other factual unit costs. All such contract adjustments shall be made within three years following the end of the contract.

FAIRFAX COUNTY PURCHASING RESOLUTION

5. Multiphase professional services contracts satisfactory and advantageous to the County for environmental, location, design and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the County shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of the County require awarding the contract.

6. A contract for architectural or professional engineering services relating to construction projects may be negotiated by the County for multiple projects in accordance with the Virginia Public Procurement Act (VPPA) §2.2-4303.1.

5. Competitive Negotiation – Non-Professional Services

a. Selection Advisory Committee

1. When selecting a firm for non-professional services where the compensation is estimated to exceed \$200,000, the Director of DPMM or other Authorized Agency, or the FCPS Division Superintendent, or designee shall appoint a Selection Advisory Committee to recommend to the Director of DPMM or other Authorized Agency, those non-professional services firms that are to be retained by the County. The SAC will be composed of three or more principal staff personnel and other such individuals as determined by the Purchasing Agent and a member of the DPMM or other authorized agency.

2. When selecting a firm for non-professional services, where the compensation is estimated to be less than \$200,000, the Director of the funded Agency or FCPS Department Head shall appoint a Selection Advisory Committee composed of three or more principal staff personnel to recommend to the Director of the funded Agency or FCPS Department Head those non-professional services firms that are to be retained by the County or an agency of the County.

b. Public Announcement

1. When non-professional services are requested to be purchased, the requirement will be announced in a uniform and consistent manner. Requirements where the compensation for non-professional services is estimated to be less than \$200,000 may be accomplished without public

FAIRFAX COUNTY PURCHASING RESOLUTION

announcement, but will, whenever possible, utilize available lists and other known sources to make a selection from at least four candidates.

c. Selection, Negotiation and Approval Process.

1. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. After negotiations have been conducted with each offeror so selected, the County shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so stated in the RFP, awards may be made to more than one offeror. Should the County determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror.

2. All proposed contracts for non-professional services shall be approved by the Director of DPMM or Other Authorized Agency. Full and detailed explanation of the selection criteria and fee determination shall be presented with the contract by the using agency.

- C. Cooperative: The County or any entity identified in Article 1, Section 3 may participate in, sponsor, conduct or administer a cooperative procurement agreement on behalf of or in conjunction with one or more other public bodies, or public agencies or institutions or localities of the several states, of the United States or its territories, the District of Columbia, the Metropolitan Washington Council of Governments, the National Association of Counties, for the purpose of combining requirements to increase efficiency or reduce administrative expenses in any acquisition of goods and services. Except for contracts for architectural and engineering services, a public body may purchase from another public body's contract or from the contract of the Metropolitan Washington Council of Governments or the Virginia Sheriff's Association even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. Nothing herein shall prohibit the assessment or payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.

Except for contracts for architectural and engineering services, as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases, any county, city, town, or school board may purchase

FAIRFAX COUNTY PURCHASING RESOLUTION

from a U.S. General Services Administration contract or a contract awarded by any other agency of the U.S. government.

- D. Emergency.- In case of an emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practical under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the appropriate contract or purchase order file. In addition, a notice shall be posted on the Department of General Services' central electronic procurement website on the day the County awards or announces its decision to award the contract in excess of \$100,000, whichever occurs first.
1. If an emergency occurs during regular County business hours, the head of the using agency shall immediately notify the County Purchasing Agent who shall either purchase the required goods or services or authorize the agency head to do so.
 2. If an emergency occurs at times other than regular County business hours, the using agency head may purchase the required goods or services directly. The agency head shall, however, when practical, secure competitive oral or written bids and order delivery to be made by the lowest responsive and responsible bidder. The agency head shall also, not later than the next regular County business day, submit to the County Purchasing Agent a requisition, a tabulation of the bids received, if any, a copy of the delivery record and a brief explanation of the circumstances of the emergency.
 3. The County Purchasing Agent shall maintain a record of all emergency purchases supporting the particular basis upon which the emergency purchase was made. Such records shall be available for public inspection during regular County business hours in the office of the County Purchasing Agent.
- E. Informal Procurement.- Any Fairfax County contract when the estimated cost is less than \$200,000 in value, shall be deemed an informal procurement and not be subject to the rules governing competitive sealed bidding or competitive negotiation for goods and services other than professional services and non-transportation-related construction, if the aggregate or the sum of all phases is not expected to exceed \$200,000; and transportation-related construction, if the aggregate or sum of all phases is not expected to exceed \$25,000. However, such small purchase procedures shall provide for competition wherever practicable.
1. Such purchase procedures may allow for single or term contracts for professional services without requiring competitive negotiation, provided the aggregate or the sum of all phases is not expected to exceed \$80,000. Where

FAIRFAX COUNTY PURCHASING RESOLUTION

small purchase procedures are adopted for construction, the procedures shall not waive compliance with the Uniform State Building Code.

2. The Purchasing Agent may adopt procedures that establish informal purchase procedures. The rules and regulations adopted pursuant to Section 4 of Article 2 of this Resolution shall prescribe in detail the procedures to be observed in giving notice to prospective bidders, in tabulating and recording bids, in opening bids, in making purchases from the lowest responsive and responsible bidder, and in maintaining records of all informal procurements for public inspection.
- F. Public Private Education Facilities and Infrastructure.- The "Public-Private Education Facilities and Infrastructure Act of 2002 (PPEA)" provides public entities an option for either approving an unsolicited proposal from a private entity or soliciting request for proposals or invitation for bids from private entities. Such projects are exempt from the Virginia Public Procurement Act. The County has developed procedures that are consistent with the principles of the PPEA and adopted by the Board of Supervisors.
 - G. Reverse Auctioning.- The purchase of goods, consultant or nonprofessional services, but not construction or professional services, may be made by reverse auctioning. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by reverse auctioning.
 - H. Small Purchase.- Any purchase or lease of goods, professional, consultant, or nonprofessional services, or for the purchase of insurance, construction, or construction management, when the estimated cost is less than \$10,000, shall be deemed a small purchase and shall not be subject to the rules governing the formal competitive bidding process.
 - I. Sole Source.- Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. A written record documenting the basis for this determination shall be included in the appropriate contract file or other records of the procurement. In addition, a notice shall be posted on the Department of General Services' central electronic procurement website on the day the County awards or announces its decision to award the contract in excess of \$200,000, whichever occurs first.
 - J. Auction.- Upon a determination in writing by the County Purchasing Agent that the purchase of goods, products, or commodities from a public auction sale is in the best interests of the County, such items may be purchased at the auction, including online public auctions. The

FAIRFAX COUNTY PURCHASING RESOLUTION

writing shall document the basis for this determination. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by online public auctions.

Section 3. Exceptions to the Requirement for Competitive Procurement.

- A. **Instructional Materials and Office Supplies:** Instructional materials and office supplies which are not stocked or purchased by the Fairfax County School Board pursuant to an existing County contract may be purchased by school principals designated by the School Board. Such purchases shall be conducted in accordance with rules and regulations adopted by the School Board pursuant to §22.1-122.1 of the Code of Virginia. With the exception of textbooks and instructional computer software that have been approved by the State Board of Education and the Fairfax County School Board, no single purchase may exceed the small purchase dollar level (as set forth in Article 2, Section 2. H.). The rules and regulations adopted by the School Board shall prescribe in detail the procedures to be observed in making purchases of instructional materials, establishing accounts for purchases, accounting for the receipt and disbursement of funds, and maintaining records of all transactions. The purchases authorized herein shall be made using funds from accounts established by the School Board solely for such purchases.
- B. **Insurance / Electric Utility Services:** As provided in the Code of Virginia, subdivision 13 of § 2.2-4345, the County may enter into contracts without competitive sealed bidding or competitive negotiation for insurance or electric utility services if purchased through an association of which it is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the public body has made a determination in advance after reasonable notice to the public and set in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.
- C. **Insurance:** As provided in § 2.2-4303(C), upon a written determination made in advance by the County Purchasing Agent that competitive negotiation is either not practicable or not fiscally advantageous, insurance may be procured through a licensed agent or broker selected in the manner provided for the procurement of things other than professional services in §2.2-4302.2(A)(3) of the Virginia Public Procurement Act.
- D. **Legal Services:** The County (or any public body that has adopted this Resolution) may enter into contracts without competition for (1) the purchase of legal services; and (2) expert witnesses or other services associated with litigation or regulatory proceedings. Any

Contracts for the bulk procurement of goods and services for use of recipients shall not be exempted from the requirements of competitive procurement.
- F. Workshops or Employment Services Organizations: The County Purchasing Agent may enter into contracts without competition for the purchase of goods or services which are produced or performed by persons or in schools or workshops under the supervision of the Virginia Department for the Blind and Visually Impaired; or which are produced or performed by employment services organizations which offer transitional or supported employment services serving individuals with disabilities.
- G. Other Special Exemptions: Procurement for single or term contracts for goods and services not expected to exceed \$200,000 as identified by the Purchasing Agent.
- H. Ballots and Elections Materials: The provisions of Articles 1, 2, and 5 of the Purchasing Resolution shall not apply to contracts for equipment, software, services, the printing of ballots or statements of results, or other materials essential to the conduct of the election, except as stated in §24.2-602. The provisions of Fairfax County Purchasing Resolution, Article 6, shall apply to such contracts.

Section 4. Exemptions from the Purchasing Resolution.

- A. Retirement Board Investments, Actuarial Services, Disability Determination Services: The selection of services related to the management, purchase, or sale of investments authorized by Virginia Code Ann. §51.1-803, including but not limited to actuarial services, shall be governed by the standard of care set forth in Virginia Code Ann. § 51.1-803(A) and shall not be subject to the provisions of the Purchasing Resolution or the VPPA.

FAIRFAX COUNTY PURCHASING RESOLUTION

competitive requirements of the Fairfax County Purchasing Resolution do not apply. However, if the procurement includes the provision of catered meals, audio visual equipment, or other related services, and the value of these other included services exceeds the \$5,000 level for which competition is required, the entire procurement, including the use of the space, shall be procured competitively as a package based on its anticipated value.

- C. Virginia Grown Food Products: Neither the VPPA or the Purchasing Resolution applies to the purchase of Virginia-grown food products for use by a public body where the annual cost of the product is not expected to exceed \$100,000, provided that the procurement is accomplished by (i) obtaining written solicitation of a minimum of three bidders or offerors if practicable and (ii) including a written statement regarding the basis for awarding the contract.
- D. Finance Board Investments: Pursuant to Virginia Code Ann. § 15.2-1548, the selection of services related to the management, purchase, or sale of authorized investments, including but not limited to actuarial services, of the local finance board shall not be subject to the provisions of the Virginia Public Procurement Act.

- F. Subaward Agreements: Subaward Agreements entered into pursuant to the principles set forth in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. § 200 *et seq.*) are not subject to the Purchasing Resolution. Subaward Agreements and associated documents may, however, be executed by the Purchasing Agent.

Section 5. General Purchasing Provisions.

A. Competitive Solicitation Process.

- 1. The County Purchasing Agent shall solicit bids from all responsible prospective vendors who have registered their firm to be included on the Commonwealth of Virginia's "eVA" central vendor registration system for all solicitations using the competitive sealed bidding and competitive negotiation methods of procurement. Other potential vendors may be solicited at the discretion of the County Purchasing Agent.

FAIRFAX COUNTY PURCHASING RESOLUTION

2. The County Purchasing Agent shall encourage open and competitive bidding by all possible means and shall endeavor to obtain the maximum degree of open competition on all purchase transactions using the competitive sealed bidding, competitive negotiation, or informal procurement methods of procurement. In submitting a bid or proposal each bidder shall, by virtue of submitting a bid, guarantee that the bidder has not been a party with other bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bid of such bidders. Any disclosure to or acquisition by a competitive bidder, in advance of the opening of the bids, of the terms or conditions of the bid submitted by another competitor shall render the entire proceedings void and shall require re-advertising for bids.
3. All solicitations shall include the following provisions:
 - a. Each bidder or offeror shall certify, upon signing a bid or proposal, that to the best of his or her knowledge no Fairfax County official or employee having official responsibility for the procurement transaction, or member of his or her immediate family, has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the bid or proposal or as soon thereafter as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, or rescission of the contract made, or could affect payment pursuant to the terms of the contract.
 - b. Whenever there is reason to believe that a financial benefit of the sort described in paragraph a. has been or will be received in connection with a bid, proposal or contract, and that the contractor has failed to disclose such benefit or has inadequately disclosed it, the County Executive, as a prerequisite to payment pursuant to the contract, or at any other time, may require the contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.
4. Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named: it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

FAIRFAX COUNTY PURCHASING RESOLUTION

5. Prospective contractors may be prequalified for particular types of supplies, services, insurance, or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedures shall be established in writing and sufficiently in advance of their implementation to allow potential contractors a fair opportunity to complete the process.
6. Prospective contractors may be debarred from contracting for particular types of goods, services, insurance, or construction, for specified periods of time. The debarment procedures are set forth under Article 5, Section 1.
7. The County shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.
8. Withdrawal of bids by a bidder.
 - a. A bidder for a contract other than for public construction may request withdrawal of their bid under the following circumstances:
 1. Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the County Purchasing Agent in writing.
 2. Requests for withdrawal of bids after opening of such bids but prior to award shall be transmitted to the County Purchasing Agent, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the County may exercise its right of collection.
 3. No bid may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.
 4. If a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid.
 5. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work

FAIRFAX COUNTY PURCHASING RESOLUTION

agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

6. If the County denies the withdrawal of a bid under the provisions of this paragraph, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.
7. Work papers, documents, and materials submitted in support of a withdrawal of bids may be considered as trade secrets or proprietary information subject to the conditions of Article 2, Section 5, Paragraph D.

B. Contract Award Process.-

1. The County Purchasing Agent shall have the authority to waive informalities in bids, reject all bids, parts of all bids, or all bids for any one or more good or service included in a solicitation when in his judgment the public interest is best served. If all bids are for the same total amount or unit price (including authorized discounts and delivery times) and if the public interest will not permit the delay of re-advertisement for bids, the County Purchasing Agent is authorized to award the contract to the resident Fairfax County tie bidder whose firm has its principal place of business in the County, or if none, to the resident Virginia tie bidder, or if none, to one of the tie bidders by drawing lots in public; or the County Purchasing Agent may purchase the goods or services in the open market except that the price paid shall not exceed the lowest contract bid price submitted for the same goods or services.
2. The County Purchasing Agent shall be responsible for determining the responsibility of a bidder. In determining responsibility, the following criteria will be considered:
 - a. The ability, capacity and skill of the bidder to perform the contract or provide the service required;
 - b. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
 - c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
 - d. The quality of performance of previous contracts or services;

FAIRFAX COUNTY PURCHASING RESOLUTION

- e. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;
 - f. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
 - g. The quality, availability and adaptability of the goods or services to the particular use required;
 - h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
 - i. Whether the bidder is in arrears to the County on debt or contract or is a defaulter on surety to the County or whether the bidder's County taxes or assessments are delinquent; and
 - j. Such other information as may be secured by the County Purchasing Agent having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of nonresponsibility, the County Purchasing Agent shall so notify that bidder and shall have recorded the reasons in the contract file.
- 3. Pursuant to Virginia Code §15.2-1237, all contracts shall be approved as to form by the County Attorney or other qualified attorney and a copy of each long-term contract shall be filed with the Chief Financial Officer of the County.
 - 4. Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the responsive bid from the lowest responsible bidder exceeds available funds, the County may negotiate with the apparent low bidder to obtain a contract price within available funds; however, such negotiations may be undertaken only under conditions and procedures described in writing and approved by the County prior to issuance of the Invitation to Bid.
 - 5. A public contract may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than twenty-five percent of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the Purchasing Agent. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.

FAIRFAX COUNTY PURCHASING RESOLUTION

C. Disclosure of Information.-

Except as provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act.

1. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
2. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the County decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the County decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in 3. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.
3. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction or prequalification application submitted pursuant to Article 2, Section F shall not be subject to the Virginia Freedom of Information Act; however, the bidder, offeror or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary. A bidder, offeror, or contractor shall not designate as trade secrets or proprietary information (a) an entire bid, proposal, or prequalification application; (b) any portion of a bid, proposal, or prequalification application that does not contain trade secrets or proprietary information; or (c) line item prices or total bid, proposal, or prequalification application prices.
4. Nothing contained in this section shall be construed to require the County, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous to the County.

FAIRFAX COUNTY PURCHASING RESOLUTION

D. Bonds.

1. The County may, at the discretion of the County Purchasing Agent, require bid, payment or performance bonds for contracts for goods or services if provided in the Invitation to Bid or Request for Proposal.

No forfeiture under a bid bond shall exceed the lesser of:

- a. the difference between the bid for which the bond was written and the next low bid, or
 - b. the face amount of the bid bond.
2. Action on performance bond - No action against the surety on a performance bond shall be brought unless within one year after (1) completion of the contract, including the expiration of all warranties and guarantees or (2) discovery of the defect or breach of warranty, if the action be for such, in all other cases.

3. Actions on payment bonds:

- a. Subject to the provisions of subsection (b) hereof, any claimant who has performed labor or furnished material in accordance with the contract documents in the prosecution of the work provided in any contract for which a payment bond has been given, and who has not been paid in full therefore before the expiration of ninety days after the day on which such claimant performed the last of such labor or furnished the last of such materials for which he claims payment, may bring an action on such payment bond to recover any amount due him for such labor or material, and may prosecute such action to final judgment and have execution on the judgment. The obligee named in the bond need not be named a party to such action.
- b. - B. The County may deny prequalification to any contractor only if the County finds one of the following:
1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the County shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;
 2. The contractor does not have appropriate experience to perform the construction project in question;
 3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past ten years for the breach of contracts for governmental or nongovernmental construction, including, but not limited to, design-build or construction management;
 4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the County without good cause. If the County has not contracted with a contractor in any prior construction contracts, the County may deny

FAIRFAX COUNTY PURCHASING RESOLUTION

prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The County may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction file and such information relating thereto given to the contractor at that time, with the opportunity to respond;

5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past ten years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, violation of Article 6 of the Virginia Public Procurement Act (§2.2-4367 et seq.), the Virginia Governmental Frauds Act (§18.2-498.1 et seq.), Chapter 42 (§59.1-68.6 et seq.) of Title 59, or any substantially similar law of the United States or another state;
6. The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and
7. The contractor failed to provide to the County in a timely manner any information requested by the County relevant to subdivisions (1) through (7) of this subsection.
 - a. If the County has a prequalification ordinance that provides for minority participation in municipal construction contracts, that public body may also deny prequalification based on minority participation criteria, provided, however, that nothing herein shall authorize the adoption or enforcement of minority participation criteria except to the extent that such criteria, and the adoption and enforcement thereof, are in accordance with the Constitution and laws of the United States and the Commonwealth.

C. Withdrawal of bids by a bidder.

1. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from

FAIRFAX COUNTY PURCHASING RESOLUTION

consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

2. The bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice. No bid shall be withdrawn when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent. The lowest remaining bid shall be deemed to be the low bid. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
3. The County shall notify the bidder in writing within five business days of its decision regarding the bidder's request to withdraw its bid. If the County denies the withdrawal of a bid, it shall state in such notice the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder. At the same time that the notice is provided, the County shall return all work papers and copies thereof that have been submitted by the bidder.

D. Progress Payments.

1. In any public contract for construction which provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least ninety-five percent of the earned sum when payment is due, with not more than five percent being retained to be included in the final payment. Any subcontract for a public project which provides for similar progress payments shall be subject to the same limitations.

E. Bonds.-

1. Except in cases of emergency, all bids or proposals for nontransportation-related construction contracts in excess of \$500,000 or transportation-related projects authorized under Article 2 (§ 33.2-208 et seq.) of Chapter 2 of Title 33.2 that are in excess of \$250,000 and partially or wholly funded by the Commonwealth shall be accompanied by a bid bond from a surety company selected by the bidder which is legally authorized

FAIRFAX COUNTY PURCHASING RESOLUTION

to do business in Virginia, as a guarantee that if the contract is awarded to such bidder, that bidder will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed five percent of the amount bid.

For nontransportation-related construction contracts in excess of \$100,000 but less than \$500,000, where the bid bond requirements are waived, prospective contractors shall be prequalified for each individual project in accordance with §2.2-4317 of the Code of Virginia. The County may waive the requirement for prequalification of a bidder with a current Class A contractor license for contracts in excess of \$100,000 but less than \$300,000 upon a written determination made in advance by the County that waiving the requirement is in the best interests of the County. The county shall not enter into more than 10 such contracts per year.

No forfeiture under a bid bond shall exceed the lesser of:

- a. the difference between the bid for which the bond was written and the next low bid, or
- b. the face amount of the bid bond.

Nothing in this section shall preclude the County from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$500,000 for nontransportation-related projects or \$350,000 for transportation-related projects authorized under Article 2 (§ 33.2-208 et seq.) of Chapter 2 of Title 33.2 and partially or wholly funded by the Commonwealth.

2. Performance and payment bonds:

- a. Upon the award of any (i) public construction contract exceeding \$500,000 awarded to any prime contractor, (ii) construction contract exceeding \$500,000 awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures or other improvements to real property owned or leased by a public body, or (iii) transportation-related projects exceeding \$350,000 that are partially or wholly funded by the Commonwealth, or (iv) construction contract exceeding \$500,000 in which the performance of labor or the furnishing of materials will be paid with public funds, the contractor shall furnish to the County the following bonds:
 1. A performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related

FAIRFAX COUNTY PURCHASING RESOLUTION

projects authorized under Article 2 (§ 33.2-208 et seq.) of Chapter 2 of Title 33.2, such bond shall be in a form and amount satisfactory to the public body.

2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors in furtherance of the work provided for in such contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work. For transportation-related projects authorized under Article 2 (§ 33.2-208 et seq.) of Chapter 2 of Title 33.2 and partially or wholly funded by the Commonwealth, such bond shall be in a form and amount satisfactory to the public body. As used in this subdivision "Labor or materials" includes public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.
- b. For non-transportation-related construction contracts in excess of \$100,000 but less than \$500,000, where the performance and payment bond requirements are waived, prospective contractors shall be prequalified for each individual project in accordance with §2.2-4317. However, the locality may waive the requirement for prequalification of a contractor with a current Class A contractor license for contracts in excess of \$100,00 but less than \$300,000 upon a written determination in advance by the local governing body that waiving the requirement is in the best interest of the County. The County shall not enter into more than 10 such contracts per year.
- c. Each of such bonds shall be executed by one or more surety companies selected by the contractor which are legally authorized to do business in Virginia.
- d. Such bonds shall be payable to the County of Fairfax and filed with the County or a designated office or official.
- e. Nothing in this section shall preclude the County from requiring payment or performance bonds for construction contracts below \$500,000 for nontransportation-related projects or \$350,000 for transportation-related projects authorized under Article 2 (§ 33.2-208 et seq.) of Chapter 2 of Title 33.2 and partially or wholly funded by the Commonwealth.
- f. Nothing in this section shall preclude such contractor from requiring each subcontractor to furnish a payment bond with surety in the sum of the full amount

of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts which are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.

- [illegible]

FAIRFAX COUNTY PURCHASING RESOLUTION

- c. Any action on a payment bond must be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.
 - d. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.
5. Alternative forms of security:
- a. In lieu of a bid, payment or performance bond a bidder may furnish a certified check, cashier's check or cash escrow in the face amount required for the bond.
 - b. If approved by the County Attorney, a bidder may furnish a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the County equivalent to a corporate surety's bond.

F. Escrow Accounts.-

- 1. The County, when contracting directly with contractors for public contracts of \$200,000 or more for construction of highways, roads, streets, bridges, parking lots, demolition, clearing, grading, excavating, paving, pile driving, miscellaneous drainage structures, and the installation of water, gas, sewer lines and pumping stations, where portions of the contract price are to be retained, shall include an option in the bid or proposal for the contractor to use an Escrow account procedure for utilization of the County's retainage funds by so indicating in the space provided in the bid or proposal documents and executing the Escrow Agreement form provided by the County. In the event the contractor elects to use the Escrow account procedure, the Escrow Agreement form shall be executed and submitted to the County within fifteen days after receipt of notification of contract award by the contractor.
- 2. The executed Escrow Agreement Form shall be submitted to the Office designated in the bid or proposal documents. If the Escrow Agreement Form is not submitted to the designated office within the fifteen day period, the contractor shall forfeit his rights to the use of the Escrow account procedure.

3. The Purchasing Agent shall promulgate escrow regulations. In order to have retained funds paid to an escrow agent, the contractor, the escrow agent and the surety shall execute the Escrow Agreement form. The contractor's escrow agent shall be a trust company, bank or savings institution with its principal office located in the Commonwealth and shall satisfy escrow agent qualifications promulgated by the Purchasing Agent.
4. 6. Any subcontract for such public project that provides for similar progress payments shall be subject to the provisions of this section.

This subsection F. shall apply to contracts as provided in the Code of Virginia, §2.2-4334.

BIDDER/CONTRACTOR REMEDIES

Section 1. Ineligibility.

- A. Debarment as used in this section means any action taken by the County Purchasing Agent to exclude individuals or entities from contracting with County agencies or organizations for particular types of goods for a specified period of time. A prospective contractor may be suspended from participating in County procurements if there is evidence that the prospective contractor has committed an act that would be the basis of a debarment and immediate action is needed to protect the County's interests. Debarment or suspension do not relieve the contractor of responsibility for its existing obligations.
- B. The County Purchasing Agent shall have the authority to suspend or debar a prospective contractor from contracting for particular types of supplies, services, insurance on construction, for specified periods of time for the causes stated below:
 - 1. Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;
 - 2. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a County contractor;
 - 3. Conviction under the state or federal antitrust statutes arising out of the submission of bids or proposals;
 - 4. Violation of contract provisions, as set forth below, of a character which is regarded by the County Purchasing Agent to be so serious as to justify suspension or debarment action:
 - a. failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or

FAIRFAX COUNTY PURCHASING RESOLUTION

- b. a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension or debarment;
- 5. Any other cause the County Purchasing Agent determines to be so serious and compelling as to affect responsibility as a contractor, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;
- 6. The contractor has abandoned performance, been terminated for default on a Fairfax County project, or has taken any actions that inure to the detriment of Fairfax County or a Fairfax County project;
- 7. The contractor is in default on any surety bond or written guarantee on which Fairfax County is an obligee.
- C. Ineligibility Period. Debarment shall be for a period of ninety (90) days to three (3) years, at the discretion of the County Purchasing Agent. The period of suspension shall not exceed one year. A debarment or suspension may be lifted or stayed at any time if the County Purchasing Agent determines that doing so is in the best interests of the County.
- D. Any person or firm suspended or debarred from participation in County procurement shall be notified in writing by the County Purchasing Agent.
 - 1. The Notice of Suspension shall state the reasons for the actions taken and such decision shall be final unless the person or firm appeals within ten (10) days of receipt of the Notice by instituting legal action as provided in the Code of Virginia.
 - 2. The Notice of Debarment shall state the reasons for the actions taken and the decision shall be final unless the person or firm appeals within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia.
- E. If, upon appeal, it is determined that the action taken by the County Purchasing Agent was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

FAIRFAX COUNTY PURCHASING RESOLUTION

Section 2. Appeal of Denial of Withdrawal of Bid.

- A. A decision denying withdrawal of a bid submitted by a bidder or offeror shall be final and conclusive unless the bidder appeals the decision within ten (10) days after receipt of the decision by instituting legal action as provided in the Code of Virginia. The bidder or offeror may not institute legal action until all statutory requirements have been met.
- B. If no bid bond was posted, a bidder refused withdrawal of bid under the provisions of Article 2, Section 5A, paragraph 8, prior to appealing, shall deliver to the County a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.
- C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.

Section 3. Appeal of Determination of Nonresponsibility.

- A. Any bidder who, despite being the apparent low bidder, is determined not to be a responsible bidder for a particular County contract shall be notified in writing by the County Purchasing Agent. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The bidder may not institute legal action until all statutory requirements have been met.
- B. If, upon appeal, it is determined that the decision of the County Purchasing Agent was arbitrary or capricious and the award for the particular County contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the County contract in question. Where the award has been made, the County may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

Section 4. Protest of Award or Decision to Award.

- A. Any bidder or offeror may protest the award or decision to award a contract by submitting a protest in writing to the County Purchasing Agent, or an official designated by the County

FAIRFAX COUNTY PURCHASING RESOLUTION

of Fairfax, no later than ten (10) days after the award or the announcement of the decision to award, whichever occurs first. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten days after posting or publication of the notice of such contract as provided in Article 2, Section 2. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection under Article 2, Section 5.D, then the time within which the protest must be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under Article 2, Section 5.D, or at such later time as provided herein. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The County Purchasing Agent shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia. Nothing in this section shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation for Bid or Request for Proposal.

- B. If, prior to award, it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The County Purchasing Agent shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by the County. Where the award has been made and performance has begun, the County Purchasing Agent may declare the contract void upon a finding that this action is in the best interest of the County. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.
- C. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this article shall not be affected by the fact that a protest or appeal has been filed.
- D. An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

Section 5. Contractual Disputes.

- A. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the County Purchasing Agent, who shall reduce his decision to writing and mail or otherwise forward a copy to the contractor within ninety (90) days. The decision of the County Purchasing Agent shall be final and conclusive unless the contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A contractor may not institute legal action, prior to receipt of the County Purchasing Agent's decision on the claim, unless the County Purchasing Agent fails to render such decision within the time specified.
- B. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

Section 6. Legal Action.

- A. No bidder, offeror, potential bidder or offeror, or contractor shall institute any legal action until all statutory requirements have been met.
