Board Matter
Earth Day at Providence

Members of the Board,

As we all know, April is Earth Month. This is a time for us to recognize and celebrate everything that Earth offers us and the many ways we should protect and preserve our home.

I am hosting an Earth Day celebration on Friday, April 21 from 2PM to 5PM at the Providence Community Center. We have family-friendly activities planned including a nature walk and cleanup of East Blake Lane Park, seed propagation & pot decoration, compost education, tree planting, and more! We will be joined by our partners from the Fairfax County Park Authority, Merrifield Garden Center, Citizens Climate Lobby, Green Springs Gardens, Northern Virginia Families for Safe Streets, and our former Tree Commissioner, Laura Beaty.

This event will also kick off our diaper drive. We will be collecting unopened packages of diapers to be donated to Fairfax Diapers.

Therefore, I move without objection that the Office of Public Affairs publicize this event on the appropriate channels. I invite my colleagues and community members to celebrate Earth Day with the Providence District Office to learn how to continue caring for our home.

Dalia A. Palchik
Providence District Supervisor
