Fairfax, VA 22035

Dear Supervisor Gross and members of the Fairfax County Board of Supervisors:

Thank you for your work on behalf of trees in Fairfax County.

As mentioned at the October 7, 2019 BOS Environment Committee meeting, the Fairfax County Tree Commission has updated the Tree Action Plan. The enclosed September 2019 version incorporates changes addressing all questions raised by Supervisors at the October 5, 2018 BOS Environment Committee Meeting.

All questions have been addressed to the satisfaction of the Tree Commission. On September 19, 2019 we unanimously voted to recommend that the Board of Supervisors approve the 2019 Tree Action Plan. Your approval will enable the Tree Commission to formally establish the Community of Practice and implement the recommendations included therein in support of trees.

We look forward your approval of the 2019 Tree Action Plan.

Sincerely,

Catherine C. Ledec, Chairman
Fairfax County Tree Commission
