**Slipline Replacement #3 (Celadon Lane)
Project No. WW-000028-002-C**

Sealed bids are hereby solicited for the Slipline Replacement #3 (Celadon Lane) project. The project involves the installation of approximately 1,800 linear feet of 8-inch Polyvinyl Chloride (PVC) Pipe. The existing sewer main will remain in service until the installation of a new main is complete and then will be abandoned in place. House laterals connected to existing sewer main will also be abandoned in place and new laterals will be installed connecting to the new sewer. The construction will occur along Celadon Lane, Wooten Drive, and off-pavement east of Celadon Lane and north of Wooten Drive. Contractor is also responsible to set-up traffic control measures as detailed in the contract documents.

Only firms that have been pre-qualified will be eligible to submit bids for this project (see Section 00003.1). Bids received from those that have not been pre-qualified will not be considered.

This is a **lump sum** price contract. Contract length is **450** calendar days.

Bids will be received in the office of the Director, Wastewater Design and Construction Division, Department of Public Works and Environmental Services, 12000 Government Center Parkway, Suite 463, Fairfax, Virginia until **10:00 a.m.**, prevailing local time, **Tuesday, June 21, 2022**. Bids received after that time will not be accepted. Bidders are encouraged to use the services of a delivery service provider to assure entrance can be gained to the building for delivery. Bids received after that time will not be accepted. Bids will be opened publicly and read aloud **at 10:15 a.m., Tuesday, June 21, 2022**. The bid opening shall be conducted as a web-based meeting.
