The County will notify all Applicants in writing whether or not they have been determined to be a pre-qualified contractor within thirty (30) calendar days after the deadline for receipt of the Pre-qualification Application. This decision shall be final and conclusive unless the Applicant appeals within ten (10) calendar days of receipt of the Notice by instituting legal action as provided in the Code of Virginia.

The Applicant may not institute legal action until all statutory requirements have been met.

In determining whether an Applicant should be pre-qualified, the County, in its sole and absolute discretion, will decide whether the Applicant is capable of fully performing the contractual requirements for the Project, in all respects. - B. Any unsatisfactory references may serve as a basis for disqualification of the Applicant. Examples of unsatisfactory references include but are not limited to untimely performance, failure to properly schedule the work, failure to complete the work, defective work not corrected, failure to

complete punch list work, lack of proper manpower to meet scheduled activities, poor workmanship, submission of unreasonable claims, failure to make prompt payments, inappropriate staffing, or any other documented evidence of noncompliance with the terms and conditions of prior construction contracts.

E. By submitting an Application, the Applicant agrees that the County and/or

its representatives may research the information provided and contact entities associated with such information, at its discretion.

- F. The County or its designee may deny pre-qualification to any Applicant if it finds any of the following (in addition to other criteria outlined in this Application):

 2. If any Applicant knowingly makes a misrepresentation in submitting information to the County, such misrepresentation may be sufficient grounds for denying pre-qualification to that Applicant or rescinding the Applicant's pre-qualification.
