

FLOOD PROTECTION NEWSLETTER

The Stormwater Planning Division, Department of Public Works and Environmental Services, develops and updates a newsletter for residents who live in or near a floodplain.

The newsletter includes important flood protection related information including flood proofing, flood safety, drainage service requests, elevation certificates, flood insurance, and permits for building improvements.

The newsletter also includes a number of hyperlinks for additional information related to flood protection.

As a Fairfax County resident who has been identified as living in or near a floodplain, you are encouraged to visit the link below and download a copy of the newsletter: www.fairfaxcounty.gov/publicworks/flood-info.

Additionally, you can scan the following QR code to go directly to the latest Flood Protection Newsletter:
